Dear Sir, / Dear Madam,

I reply to your petition on behalf of the President of the European Commission.

The European Green Deal marked a pivotal shift in policy-making approach towards a more sustainable and inclusive Europe. The solid legislative framework put in place started bringing results. Thanks to it, the EU is now more resilient, less dependent and better prepared.

President Ursula von der Leyen's Political Guidelines for the next European Commission 2024–2029 ⁽¹⁾ made it clear that the next period is about staying the course on the goals set out in the European Green Deal. The EU must focus on implementing the existing legal framework for 2030 in the simplest, fairest and most cost-efficient way.

Yours faithfully,

Vesa TERÄVÄ
Head of Unit
