Milestone:

- Procedure for carrying out audits and controls in compliance with applicable Union and national legislation
- Guidelines of the Coordinating Body adopted by the Government
- Establishment of the Office for the Implementation of the RRP
- Upgraded repository system for audit and controls: information for monitoring implementation of RRF.

Audit and control systems:

- Coordinating Authority: Office of the Implementation of the RRP at Min. of Finance (overall coordination and monitoring of the plan, incl. monitoring progress on milestones and targets)
- Line ministries: implementation of individual components
- National Cost Coordinator: Department for the Management of EU Funds at Min. of Finance
- National Audit Coordinator: Budget Supervision Office at Min. of Finance

Instalment profile

- The **SI RRP allocation** amounts to EUR 2.5 bn, of which EUR 1.8 bn in grants and EUR 0.7 bn in loans.
- The instalment profile of the SI RRP includes **the pre-financing of the RRF grants**. Slovenia has not requested the pre-financing for the RRF loans.
- In 2023-2024, **completion of key reforms is due**, which warrants higher instalments than implied by the profile of M&Ts.
