

## Annex 2: Reporting table on national Europe 2020 targets and other key commitments

Progress on implementation	List of measures and their state of play that were implemented in response to the commitment	The estimated impacts of the measures (qualitative and/or quantitative)
<i>National 2020 Headline Targets</i>		
National 2020 employment target 78%	Strategic programme on structural change and labour market efficiency, working life development strategy, review of labour market change trends	
National 2020 R&D target 4%/GDP	Research and development tax deduction and temporary growth entrepreneurship incentive, reallocation of public research funding, reform of central government research institutions	
GHG emission reduction target 16%	Updating of Climate and Energy Strategy and implementation of strategy	Target will be achieved: Emissions outside emissions trading -16% in 2020 compared with 2005
Renewable energy target 38%	Updating of Climate and Energy Strategy and implementation of strategy. Feed-in tariff for energy produced by windpower, biogas, forest chips and wood fuel, energy subsidy (investment subsidy) to promote renewable energy, traffic biofuels' distribution obligation 20% in 2020, energy subsidy for residential building heating systems and general R&D funding	Target will be achieved: Renewable energy share of energy end-use 38% in 2020
National energy efficiency target 20%	Updating of Climate and Energy Strategy and implementation of Energy Efficiency Committee proposal	There is no national target for energy efficiency. In 2016 Finland will achieve the indicative target according to the Energy Services Directive, - 9%. The national implementation programme was delivered to the Commission in summer 2011. The figure 4.21 Mtoe is the Energy Efficiency Committee's final energy target of 37 TWh converted into primary energy.
National early school leaving target 8%	Social guarantee for young people, skills programme for young adults, Lukuinto programme, and children and youth policy development programme	
National target for tertiary education 42%	Reform of higher education establishment funding, student selection and student financial aid system	
National poverty target 150,000	Social guarantee for young people, skills programme for young adults, trials to reduce long-term unemployment, employment programme for people with partial work ability and hard-to-employ people, increasing education and training for immigrants, Future of Immigration 2020 Strategy, KASTE II programme, implementation of Roma policy programme	

<i>Euro-plus pact commitments (if relevant)</i>		
Euro-Plus Pact commitment on ...		
<i>Other (if relevant)</i>		
Other key bottlenecks identified in the NRP		
<b>Main (new or updated) commitments in the NRP for the next 12 months</b>	<b>Foreseen main measures</b>	<b>The estimated impacts of the measures (qualitative and/or quantitative)</b>
Main commitments in relation to each of the AGS priorities, as relevant		
New/updated Euro-Plus Pact commitments		
New/updated commitments in relation to the 2020 targets (per target)		
Other commitments (e.g. in relation to key bottlenecks identified in the NRP, as relevant)
