2013/EMPL/018	Emploi, affaires sociales et inclusion	5 revised Council Decisions - Association between the EU and Israel, Morocco, Montenegro, FYROM - Provisions on the coordination of SS systems	EMPL	3ème trimestre 2014	Traité sur le fonctionnement de l'Union européenne: Article 218(9) in conjunction with Article 79(2)(b).	Adoption of a Council Decision suspending an agreement or establishing the EU's position (AGREEM)			Amendment of Annex I and II of the Decision to be adopted by the Association Council set up by the Euro-Mediterranean Agreement
2014/EMPL/006	Emploi, affaires sociales et inclusion	Amendment of Council Regulation (EC) No 2062/94 of 18 July 1994 establishing a European Agency for Safety and Health at Work	EMPL	3ème trimestre 2014	Traité sur l'Union européenne: 153	procédure législative ordinaire (COD)	X	X	Amendment of the founding regulation for the agency in order to adjust it to the Common Approach on decentralised agencies that was agreed last year by the three EU institutions. A roadmap was published by the Commission end of last year pointing out to the need to revise those regulations which were not in agreement with the Common Approach on import matters. In the case of OSHA, there are problems with the excessive size of the Boards but there are a number of other aspects where the regulations need to be adapted (conflict of interests, evaluation, communication, etc).
2013/ESTAT/006	Statistiques	Proposal for a Regulation of the European Parliament and of the Council on Harmonised Indices of Consumer Prices and repealing Regulation (EEC) No 2494/95 concerning harmonized indices of consumer prices	ESTAT	4ème trimestre 2014	Traité sur le fonctionnement de l'Union européenne: 338(1)	procédure législative ordinaire (COD)			The aim of the proposal for a new HICP Regulation is to establish a reviewed and streamlined legal framework for compiling HICP, enshrining the principles of the European Statistics Code of Practice relating to quality commitment, sound methodology, cost-effectiveness, relevance, accuracy, reliability, coherence and comparability.
2013/JUST/080	Justice, Droits fondamentaux et Citoyenneté	Proposal for a Council Decision authorizing Austria and Poland to accede to the 2001 UN/ECE Budapest Convention for the Contract for the Carriage of Goods by Inland Waterways (CMNI)	JUST	3ème trimestre 2014	Traité sur le fonctionnement de l'Union européenne: Article 81(2) and 218(6)(a) TFEU	procédure législative ordinaire (COD)			Austria and Poland have expressed interest in acceding to the Budapest Convention. As Article 29 regarding applicable law, it falls under EU exclusive external competence because of Regulation Rome I. Therefore the EU has to authorize Austria and Poland to accede.
2012/JUST/023	Justice, Droits fondamentaux et Citoyenneté	Proposal for a Directive of the EP and the Council on misleading marketing practices and comparative advertising, repealing Directive 2006/114	JUST	4ème trimestre 2014	Traité sur le fonctionnement de l'Union européenne: 114	procédure législative ordinaire (COD)	O		"The Directive 2006/114/EC on Misleading and Comparative Advertising (the "MCAD") is a horizontal Directive which applies, as regards misleading advertising to all business-to-business (B2B) and, in the case of comparative advertising, both to business-to-business (B2B) and business-to-consumer (B2C) relationships. It establishes a minimum legal standard for misleading advertising across the EU. It provides traders with protection against misleading advertising aimed at them. It also ensures that comparative advertising compares "like with like", that it does not denigrate other companies trademarks and does not create confusion among traders.
2014/MARE/033	Pêche et affaires maritimes	Proposal for a Regulation of the European Parliament and of the Council amending Regulation (EU) No 1236/2010 of the European Parliament and of the Council of 15 December 2010 laying down a scheme of control and enforcement applicable in the area covered by the Convention on future multilateral cooperation in the North-East Atlantic fisheries.	MARE	3ème trimestre 2014	Traité sur le fonctionnement de l'Union européenne: Article 43(2) of TFEU	procédure législative ordinaire (COD)	X		This regulation aims to incorporate into Union law amendments to the existing provisions of the Scheme of control and enforcement applicable in the area covered by the Convention on future multilateral cooperation in the North-East Atlantic fisheries, which become obligatory for the Union. It forms part of a package of 3 regulations having the same scope but following different procedures (EP and Council regulation, Commission delegated act and Commission implementing act).
2014/MARE/109	Pêche et affaires maritimes	<i>Proposal for a Council Decision concerning the conclusion, on behalf of the European Union, of the amended Agreement for the establishment of the General Fisheries Commission for the Mediterranean.</i>	MARE	3ème trimestre 2014	<i>Traité sur le fonctionnement de l'Union européenne: Article 218(6)(a) TFEU</i>	N/A (N/A2)			<i>The EU negotiated and endorsed amendments to the GFCM Agreement, and the GFCM Annual Session of 19-24 May 2014. The aim of the Decision is to approve the amended Agreement and to notify the approval to the FAO.</i>
2013/MARE/083	Pêche et affaires maritimes	Proposal for a Regulation of the European Parliament and of the Council on a multiannual recovery plan for Bluefin tuna in the Eastern Atlantic and the Mediterranean repealing Council Regulation (EC) No 302/2009. 2013/MARE/063	Pêche et affaires maritimes	Proposal for a Regulation amending Regulation 199/2008 of the European Parliament and of the Council concerning the establishment of an EU framework for the collection, management and use of data in the fisheries sector.	MARE	décembre 2014	Traité sur le fonctionnement de l'Union européenne: Article 43(2) TFEU	procédure législative ordinaire (COD)	X		This legal act will replace the existing Data Collection Framework (DCF) and will combine the provisions of Council Regulation (EC) N° 199/2008 on the DCF and Commission Decision 2010/93/EU and the corresponding financing Regulations.	
2010/MARE/014	pêche et affaires maritimes	Proposal for a Regulation of the European Parliament and of the Council laying down conservation and enforcement measures applicable in the Regulatory Area of the Northwest Atlantic Fisheries Organisation (NAFO) repealing Council Regulation (EC) No 1386/2007 laying down conservation and enforcement measures applicable in the Regulatory Area of NAFO and Regulation (EC) No 2115/2005 establishing a recovery plan for Greenland halibut in the framework of the Northwest Atlantic Fisheries Organisation.	MARE	4ème trimestre 2014	Traité sur le fonctionnement de l'Union européenne: 43(2)	procédure législative ordinaire (COD)	X		This proposal will transpose the conservation and enforcement measures adopted in the framework of the Convention on Future Multilateral Cooperation in the Northwest Atlantic Fisheries. The EU is a Contracting Party to this Convention and the measures adopted are binding on its Contracting Parties and therefore, on the EU, which has to transpose them into EU law.	
2014/MARKT/069	Marché intérieur et services	Commission proposal for a Council decision establishing the Union position within the Committee of the Government Procurement Agreement on the lifting of the Union objections to the delisting of three entities from Japan's coverage	MARKT	septembre 2014	Traité sur le fonctionnement de l'Union européenne: 218	Adoption of a Council Decision suspending an agreement or establishing the EU's position (AGREEM)			In 2001 Japan notified to the GPA Secretariat that it intends to withdraw from its coverage the three JR Honshu companies. The EU, among other GPA parties, filed in objections to the delisting of those companies. Various consultations took place between the EU and Japan but concerns remained on the EU side, whereas all other GPA Parties lifted their objections. During the EU-Japan FTA scoping exercise the EU expressed its readiness to lift its objection to the delisting of the three companies, against the background of the FTA negotiations on government procurement. In the light of the positive development of the FTA negotiations on railways procurement, in particular the confirmation by Japan of its intention to promote transparent, non-discriminatory procurement practices by the 3 JR companies, the Union could agree to the delisting.	
2014/MARKT/062	Marché intérieur et services	Proposal for a Council Decision establishing the position to be taken on behalf of the European Union within the Committee on Government Procurement on the accession of Montenegro to the Agreement on Government Procurement	MARKT	septembre 2014	Traité sur le fonctionnement de l'Union européenne: 218(9)	procédure législative ordinaire (COD)			The purpose of the decision is that the Council authorises the Commission to vote in favour of Montenegro's GPA accession in the GPA Committee under certain terms of accession.	
2014/MARKT/063	Marché intérieur et services	Proposal for a Council Decision establishing the position to be taken on behalf of the European Union within the Committee on Government Procurement on the accession of New Zealand to the Agreement on Government Procurement	MARKT	septembre 2014	Traité sur le fonctionnement de l'Union européenne: 218(9)	procédure législative ordinaire (COD)			The purpose of the decision is that the Council authorises the Commission to vote in favour of New Zealand's GPA accession in the GPA Committee under certain terms of accession

2012/CLIMA/009	Action pour le Climat	Council Directive laying down a methodology for the calculation of life cycle greenhouse gas emissions from fuels other than biofuels and energy pursuant to Article 7a Directive 98/70/EC of the European Parliament and of the Council relating to the quality of petrol and diesel fuels.	CLIMA	3ème trimestre 2014				The Fuel Quality Directive (98/70/EC) introduced an obligation on suppliers to reduce by 6% the lifecycle greenhouse gas intensity of fuel and other (electric) energy supplied for use in road vehicles (and in non-road mobile machinery) by 2020. In this context, the Commission submitted a proposal for an implementing measure laying down a methodology for the calculation of lifecycle greenhouse gas emissions from fossil fuels and energy to the Fuel Quality Committee on 4 October 2011. The proposal was discussed on 25 October and 2 December 2011; the Committee vote on the implementing measure on 23 February 2012 resulted in a "no opinion". The proposal should now be submitted to the Council.
2013/CLIMA/014	Action pour le Climat	Commission Decision determining, pursuant to Directive 2003/87/EC of the European Parliament and the Council, a list of sectors and subsectors which are deemed exposed to a significant risk of carbon leakage for the period 2015-2019	CLIMA	4ème trimestre 2014	Traité sur le fonctionnement de l'Union européenne: Article 192(1) TFEU and Article 10(a) paragraph 13 of Directive 2003/87/EC			As of 2013, the EU ETS Directive introduced a harmonised approach to free allocation of allowances to European industry. As transitional measure, industrial sectors deemed exposed to a significant risk of carbon leakage will receive higher share of free allowances compared to non-exposed sectors. Articles 10(a) 14-17 of the EU ETS Directive set the quantitative and qualitative criteria (additional costs incurred by the EU ETS and trade exposure) to be used for the assessment of sectors. In 2009, the Commission determined the carbon leakage list valid until the end of 2014. Article 10(a) 13 of the ETS Directive requires the Commission to determine a new list for the period 2015-2019.

The review could also concern further administrative/procedural simplifications.	
2014/COMP/016	Concurrence	Amendments to Commission Regulation 773/2004 and the Commission Notices on Access to the File, Leniency, Settlements and Cooperation with national courts – Follow-up to the political agreement on the Directive on Antitrust Damages Actions	COMP	4ème trimestre 2014	Législation secondaire: Article 33 of Council Regulation 1/2003			In March 2014, EP and Council agreed on a Directive on antitrust damages actions; Council is scheduled to formally adopt the text in 3Q of 2014. The Directive contains certain provisions about disclosure of evidence gathered within the file of competition authorities. To be in line with those provisions, EC should amend the provisions applicable to its own proceedings. Thus EC will consult the public on certain amendments to Commission Regulation 773/2004 and related Notices, with a view at adopting them once the Directive enters into force. The new rules notably specify what types of evidence from the file of EC should never be disclosed, and what types of evidence should be disclosed only after an investigation has been closed. These rules will preserve the effectiveness of EC proceedings and give more legal certainty to all parties.

2014/EAC/004	Education, culture, multilinguisme et jeunesse	Report from the Commission to the European Parliament and the Council on the implementation of the ECVET Recommendation	EAC	septembre 2014				The European Parliament and the Council in a 2009 Recommendation have required the Commission to assess the European Credit System for Vocational Education and Training (ECVET) with a view to reporting to them by June 2014. To this end, an external evaluation (March 2014) will gather evidence about the relevance of ECVET, its effective implementation in the light of both geographical mobility and lifelong learning pathways, as well as the governance and cooperation process. The Commission's report will complete the initiative on the European Area of Skills and Qualifications.	
2014/EAC/003	Education, culture, multilinguisme et jeunesse	Commission Report to the European Parliament and the Council on media literacy	EAC	3ème trimestre 2014				Media literacy is the ability to access and to critically evaluate the media. It is a fundamental skill in terms of inclusion and citizenship in today's information society. There are huge gaps in media literacy levels between Member States. Often, this role is not adequately taken into account in school education. In a 2009 Recommendation, the Commission had asked Member States to "open a debate (...) on the inclusion of media literacy in the compulsory education curriculum". The proposed Report will take stock of the work carried out since then to provide an analysis of the different choices in that respect and the impact of these on media literacy levels.

2014/MARKT/054	Marché intérieur et services	Green Paper on the control of defence and sensitive security industrial capabilities	MARKT	décembre 2014					<i>In the field of defence and security, the control of industrial and technological capabilities can be crucial for the security of supply of critical capabilities. Some Member States thus control investments in this sector. Yet a merely national approach may hinder both the cross-border cooperation of industry and the opening up of Member States' defence markets to EU-wide competition. A European approach may therefore be needed to deepen the Internal Market and also to ensure an appropriate level of European autonomy in defence and security. On this background, the EC will consult stakeholders on possible shortfalls of the current system and to explore options for EU-wide action, incl. mechanisms of notification and consultation between Member States. The Green Paper has been announced in the 2013 Communication on defence (COM(2013)542).</i>

2014/RTD/023	Recherche et Innovation	Commission Decision on the approval and signature of an International Agreement between the EU and Kosovo* on the association of Kosovo to Horizon 2020, the EU Framework programme for Research and Innovation (2014-2020). * This designation is without prejudice to positions on status, and is in line with UNSCR 1244/1999 and the ICJ Opinion on the Kosovo declaration of independence.	RTD	4ème trimestre 2014				The Framework Agreement between the EU and Kosovo on the general principles for the participation of Kosovo in Union programmes will allow Kosovo to request association to the Union's programmes. On the basis of that Agreement association to Horizon 2020 can be concluded by a Decision of the Commission. Cooperation on research and innovation is a good pre-accession tool as it helps to comply with the EU acquis and will allow Kosovo to become more familiar with EU decision making and increase regional competitiveness. It will also allow for increased cooperation on research and innovation in the Balkan region.
