GRECO

9 December 2020 – International Anti-Corruption Day - Newsroom (coe.int)

GRECO President: “No quarter to corruption in healthcare, governments must lead by example”

CPT

Report on the CPT’s 2016 periodic visit, [CPT/Inf \(2018\) 2](#), para. 18

Most of the detained persons interviewed by the delegation indicated that they had benefited from the presence of a lawyer, albeit only when first questioned by the investigator; it remained the case that access to a lawyer was hardly ever granted at an earlier stage of police custody.

Further, some detained persons, essentially those for whom an ex officio lawyer had been appointed, complained that they had only met their lawyer after questioning or even only at the court hearing.
