Agriculture and fisheries	Reform and investment					Investment				
Security, border management	Reform and investment									
Institutional resilience	Reform and investment	Only measures improving the effectiveness and efficiency of the public administration involved in implementing cohesion policy funds	Only measures improving the effectiveness and efficiency of the public administration involved in implementing cohesion policy funds		Structural reform					

4  Reform and investment
 Investment
 Structural reform

 Only measures improving the effectiveness and efficiency of the public administration involved in implementing cohesion policy funds

Complementarity & synergies

Territorial dimension

- RRF – National Plans
- MFF – Regional & Xborder

Timeline

- RRF - 2023/2026
- MFF/CPR funds - 2027 & N+3

Costing

- RRF - Investments only
- MFF – some recurrent costs

Reforms

- RRF – Reforms
- TSI – Technical support to implement

Transparency & dialogue

- Social partners & stakeholders
- Regions, cities,...

Synergies between RRF and TSI

Transfer of funds under Art. 7(2) of RRF Regulation

Support for preparation of RRFs

Support for amendment, implementation or revision of RRFs

So far requested by:

- Croatia
- Greece
- Romania

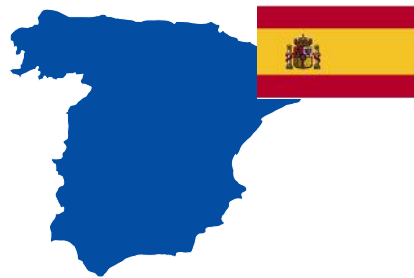

SRSP (Predecessor of TSI) projects:

- **EL:** Building and strengthening administrative capacity to coordinate internal preparation and consultation process for finalisation of RRF
- **HR:** Capacity building to support horizontal aspects of RRF preparation (DNSH assessment, green tagging)
- **SK:** Setting up national coordination RRF body and capacity building (i.a. mapping complementarities with EU structural funds)

MS can submit requests for technical support:

- 2nd call under **TSI 2021** (completed) was dedicated to implementation of RRFs
- **TSI 2022** (ongoing call until 31/10): MS may request support for improving capacity to amend, implement and revise their RRFs (i.a. policy advice, formulation of strategies and reform roadmaps)
- **Future calls** may also be used in the context of RRF as enshrined in Art. 4 of TSI Regulation

Complementarity between RRF and other EU funds

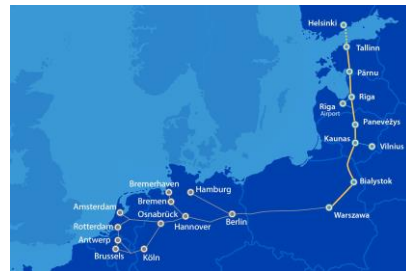

Vocational education and training in ES

EUR 1,2 bn RRF funding dedicated to infrastructure projects, including creation of simulators, digital twins and technological hubs

+

ESIF funding for wider range of projects (trainings for people with disabilities, "fresh start initiatives", and green skills trainings)

Rail Baltica – high speed rail

RRF funding foreseen in participating countries for specific investments (terminals, multimodal hubs, rail safety devices)

+

EUR 1,4 bn from the Connecting Europe Facility (CEF) for construction or upgrade of rail infrastructure

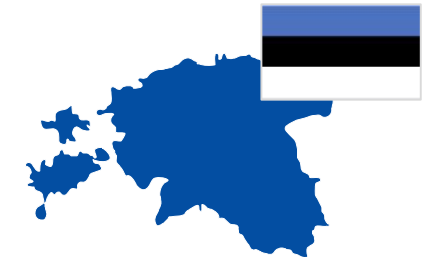

One-Stop-Guidance Center network in FI

The expansion of the network will be funded with the RRF EUR 13 mn

+

Initially funded under ESF funding under the current MFF period

The reconstruction of apartments in EE

EUR 44 mn from RRF for targeted projects improving the energy efficiency of small residential buildings

+

EUR 315,9 mn funding from ERDF for a broad range of energy efficiency renovations

Avoidance of double-funding between RRF and other funds
