PO/2015-05/A4

Open procedure for the provision of professional audio, video and photographic equipment and accessories and services related to this equipment

Answers to questions received on 08/05/2015

Question 5:

Due to the volume of the tender response, we would like to kindly ask you to provide a two weeks extension for the submission of the tender.

Kindly confirm the soonest possible.

Answer:

No, it is not possible to extend the deadline.

Question 6:

Where can I download the detailed technical specs of the requested products?

In the mentioned link I only find general information but no detailed specs.

Answer:

It is for the tenderer to provide the detailed technical specifications of the two models that he wishes to propose in response to the equipment listed in the Financial Offer ("Theoretical Purchase").

This list details the minimum technical requirement for each item.

On the quality of the proposed equipment, see also under point 11. Award Criteria of the Tender Specifications.
