

Enforcement (of debts)

1. Evolution of number of pending cases

Data for 2024 (01.01.2024-31.12.2024.)

a) Cases processed by courts (responsible for cases filed before introduction of bailiff system)

Enforcement based on enforcement document (I upisnik)

Cases pending as of 1 January	Cases filed with the system during the year	Cases solved during the year	Cases pending as of 31 December	Increase/decrease of pending cases in %
209	1117	1076	243	16,30%
Cases pending as of 1 January	Cases filed with the system during the year	Cases solved during the year	Cases pending as of 30 June	Increase/decrease of pending cases in %
209	592	539	258	23,44%
Cases pending as of 1 July	Cases filed with the system during the year	Cases solved during the year	Cases pending as of 31 December	Increase/decrease of pending cases in %
258	525	537	243	-5,81%

Appeals on cases processed by bailiffs (IP upisnik)

Cases pending as of 1 January	Cases filed with the system during the year	Cases solved during the year	Cases pending as of 31 December	Increase/decrease of pending cases in %
881	5916	5618	1022	16,00%
Cases pending as of 1 January	Cases filed with the system during the year	Cases solved during the year	Cases pending as of 30 June	Increase/decrease of pending cases in %
881	3304	2392	1749	98,52%
Cases pending as of 1 July	Cases filed with the system during the year	Cases solved during the year	Cases pending as of 31 December	Increase/decrease of pending cases in %
1749	2612	3226	1022	-41,57%

Enforcement based on authentic document (IV upisnik)

Cases pending as of 1 January	Cases filed with the system during the year	Cases solved during the year	Cases pending as of 31 December	Increase/decrease of pending cases in %
18	18	32	4	-77,78%
Cases pending as of 1 January	Cases filed with the system during the year	Cases solved during the year	Cases pending as of 30 June	Increase/decrease of pending cases in %
18	16	23	11	-38,89%
Cases pending as of 1 July	Cases filed with the system during the year	Cases solved during the year	Cases pending as of 31 December	Increase/decrease of pending cases in %
11	2	9	4	-63,64%

*The reason why, in this part, the sum of pending cases on 01.01.2024. and received in 2024, does not match the sum of those solved in 2024

and unresolved on 31. December 2024. is that a certain number of cases were delegated, and that column is not shown in this table.
