Amended Administrative Budget 2014

Final Version

Adopted by the Steering Committee
by Written Procedure
(closed the 24th September 2014)

Document REA/SC(2014) WP.5.2

The Administrative Budget of the Research Executive Agency is structured in three budgetary titles:

- Title 1 is for STAFF EXPENDITURE;
- Title 2 is for INFRASTRUCTURE AND OPERATING EXPENDITURE;
- Title 3 is for PROGRAMME SUPPORT EXPENDITURE which includes also other costs relating to the management of the programmes delegated to the Agency Common Support Services provided by the REA to all DGs and EU bodies implementing FP7 and H2020.

This is the first amended 2014 Administrative Budget of the Research Executive Agency.

INTRODUCTORY NOTICE

New Administrative Budget Nomenclature

The Research Executive Agency, in coordination with the five other Executive Agencies, has taken the opportunity of the new Multiannual Financial Framework (MFF) and the extension of its mandate to simplify and harmonise with other Executive Agencies, as of 2014, the nomenclature for its Administrative Budget.

To ensure comparability of the 2014 budget with previous years' budgets the latter have been re-arranged in accordance with the 2014 budget nomenclature.

The establishment plan accepts the following "ad personam" appointments: seconded officials may occupy a post in the establishment plan of the executive agency at a higher grade provided that such higher grade corresponds to their own grade at the Commission. This exception applies only to seconded officials.

The delegation of the 2014-2020 programmes to EAs will increase the number of positions of responsibility in the agencies. These positions are as a general rule occupied by Commission officials seconded in the interest of the service. The staff establishment plans of the agencies have been revised to reflect the current grade structure of the seconded officials. The Commission staff that will be seconded on a post of responsibility in the agencies is unknown at this stage. Therefore, the grade structure of the additional seconded officials is based on the average grade structure of the existing middle and senior management at the Commission.
