THE INVESTMENT PLAN FOR EUROPE

#InvestEU

“

The €315 billion **Investment Plan for Europe**, which we agreed just twelve months ago, has already raised €116 billion in investments in its first year of operation.

And now we will take it further. We propose to **double the duration** of the Fund and **double its financial capacity** to provide a **total of at least €500 billion** of investments by 2020.

Jean-Claude Juncker, State of the Union Address
European Parliament, 14 September 2016

SUCCESS STORY OF THE INVESTMENT PLAN

27
Member States

In the first 18 months, the **European Fund for Strategic Investment** triggered **EUR 138.3 billion** in new investment in **27 Member States**.

290,000 Small and medium-sized enterprises and Midcaps are expected to benefit with better access to finance.

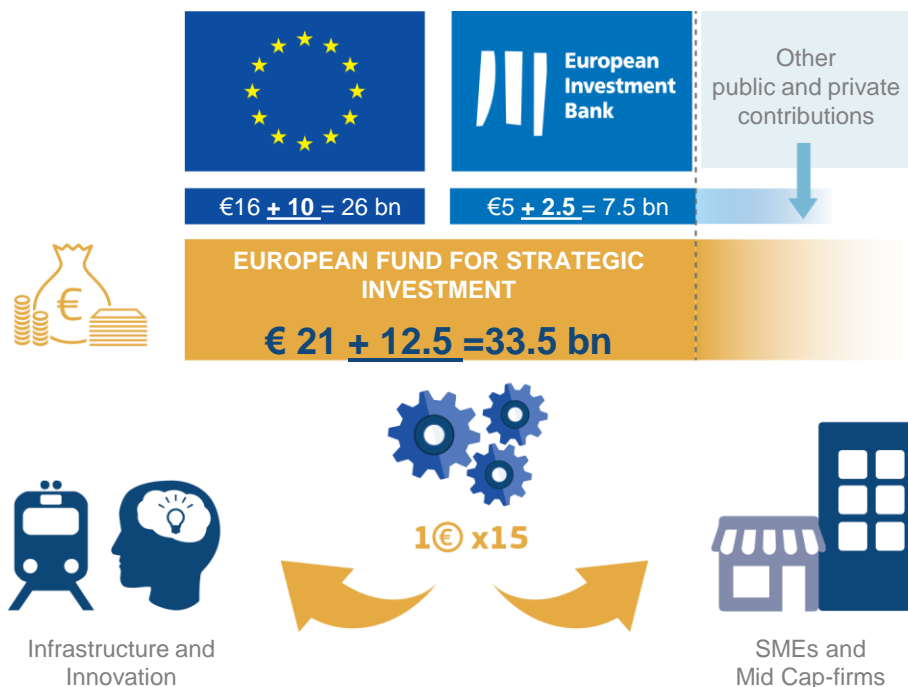

More than **100,000** new jobs so far.

Proposal made in September 2016 to set up a new **European External Investment Plan (EIP)** to encourage investment in Africa and the EU Neighbourhood.

LOOKING INTO THE FUTURE OF THE EUROPEAN FUND FOR STRATEGIC INVESTMENTS

A reinforced European Fund for Strategic Investments (EFSI) **will continue** beyond the initial three years

The combination of a reinforced European Fund for Strategic Investments (EFSI) and European Structural and Investment Funds (ESI) will be **further simplified**

The **Advisory Hub**, bringing together information for potential applicants, will be **enhanced**

Investment Platforms, where small projects can come together to apply for funding, will be further **encouraged**

The European Fund for Strategic Investments will provide at least €500 billion by 2020, and aims for €630 billion by 2022
