

What Europeans have to say about gender equality

EUROPEANS BELIEVE THAT GENDER EQUALITY IS IMPORTANT FOR...

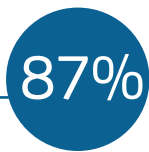

... them personally

... a fair and democratic society

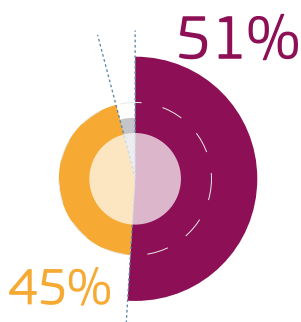

... companies and the economy

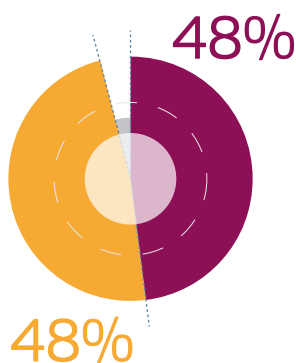

BUT THEY ARE DIVIDED ABOUT WHETHER GENDER EQUALITY HAS BEEN ACHIEVED

- yes
- no
- don't know

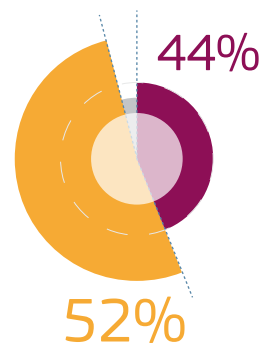

IN POLITICS

AT WORK

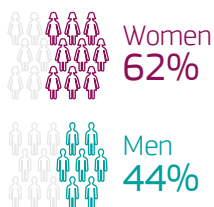

IN LEADERSHIP POSITIONS

GENDER EQUALITY IN POLITICS

There should be more women in political decision-making positions

GENDER EQUALITY IN THE MEDIA

The way women are presented in the media... is problematic

... requires action

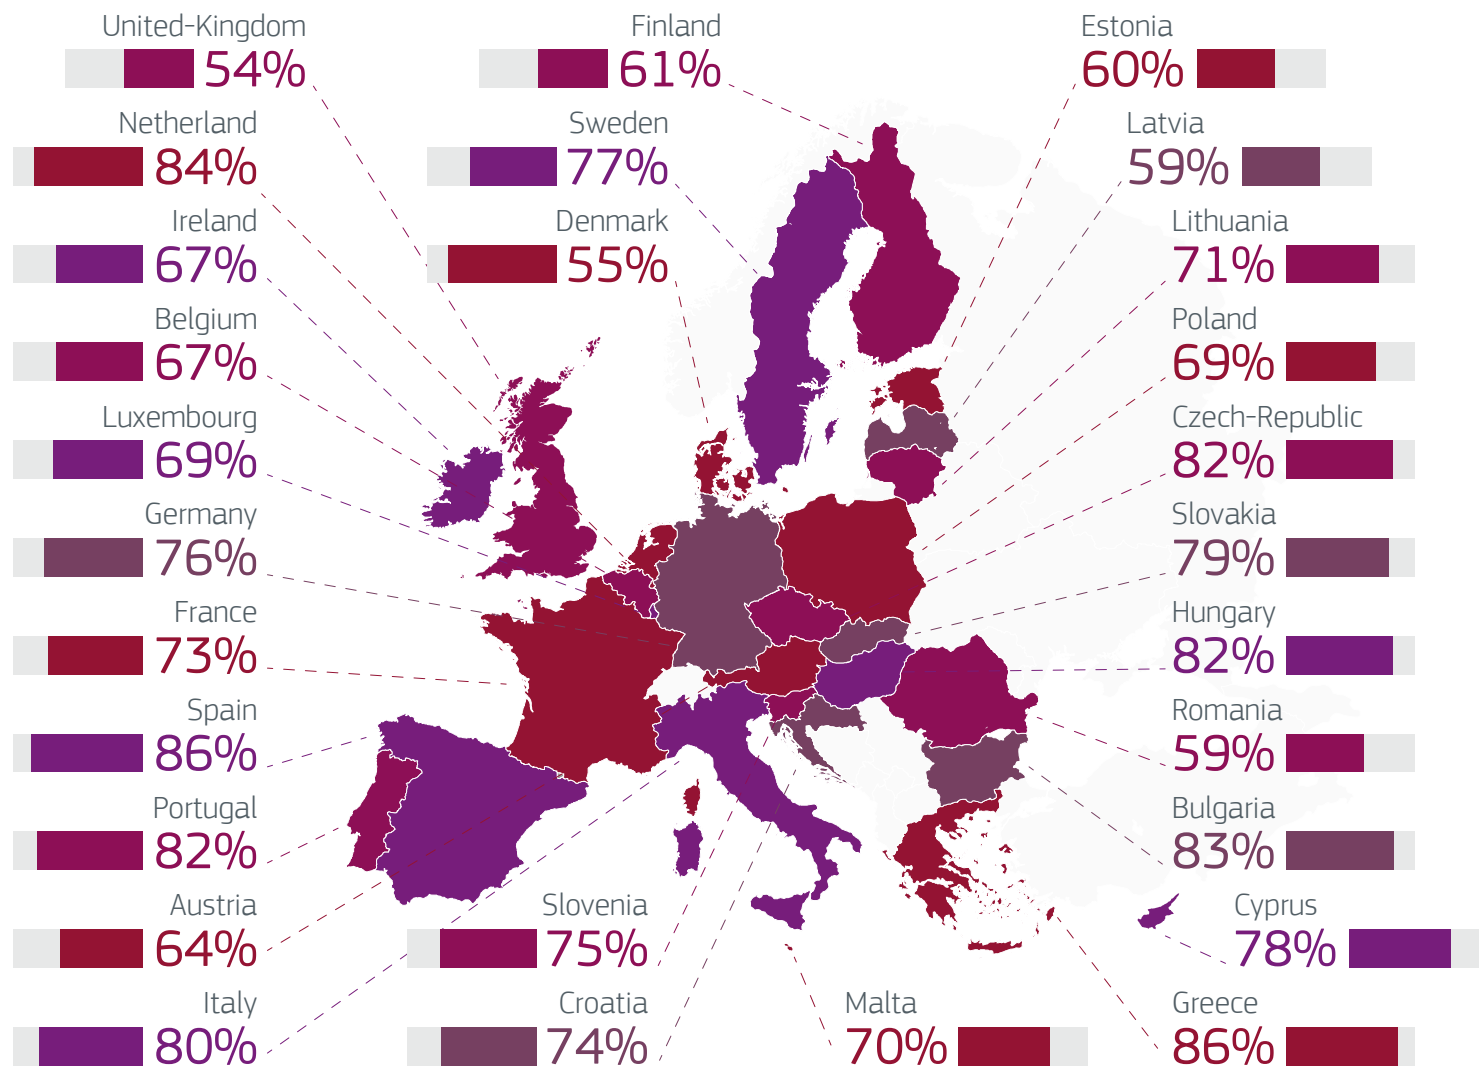

What Europeans have to say about gender equality

GENDER EQUALITY AT HOME

“ Women spend more time than men on housework and caring activities

In the EU, on care & household activities
