

## **Closure of a multiple complaint on an alleged breach by Lithuania of EU rules on occupational health and safety**

**Reference number: CHAP(2022)00390**

This communication from the Commission services concerns the multiple complaint regarding an alleged breach by Lithuania of Article 6(5) of Council Directive 89/391/EEC of 12 June 1989 on the introduction of measures to encourage improvements in the safety and health of workers at work<sup>1</sup>.

Since no new evidence nor new arguments were raised by the complainants following the publication of the Commission services assessment on the 5th of April 2022 on the Commission's website, the case will be closed at the date of the publication of the present communication for the reasons explained in the Commission services communication about the pre-closure of this complaint available in the Europa website at the address below under the title "Information about pre-closure of a multiple complaint on an alleged breach by Lithuania of EU rules on occupational health and safety - CHAP(2022)00390":
