

JUSTITIJSMINISTERIUM

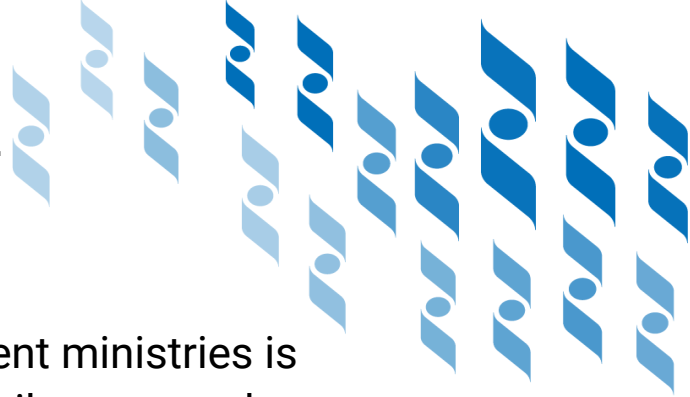

# Co-creation workspace:

the State of Play in February  
2023

**Karmen Vilms**

Legislative Policy Department

# CO-CREATION WORKSPACE

## Progress of the project

---

- piloting with different ministries is launched. Several pilots are under way or about to be started;
- developing functionality for the internal co-operation within state authorities, national procedures regarding the EU initiatives as well as new functionality for the text editor;
- developing functionality for public consultations and a general public view has not started yet.

AITÄH!
