### 3. THE NUMBER OF INITIAL APPLICATIONS RECEIVED AND HANDLED

	2016	2017	2018	2019	2020

<sup>1</sup> Due to the selection of a new algorithm in 2018 in order to get more accurate statistics, the data retrieved are not comparable to the ones of the previous years.

<sup>2</sup> A single request can concern several documents and can consequently give rise to several different replies. On the other hand, several requests can be grouped together in some cases and give rise only to one single reply. This number encompasses all types of follow-ups provided by the European Commission, extending from replies provided under Regulation (EC) No 1049/2001 (including replies where no documents are held); to responses provided under different legal frameworks (due to the contents of the application or status of the applicant, etc.); or closures following the applicants' failure to provide requested clarifications or fulfil procedural requirements.
