9. Contacts between the contracting authority and candidates or tenderers are prohibited throughout the procedure save in exceptional circumstances and under the following conditions only:

Before the date of receipt indicated in point 3:

Upon request, the contracting authority may provide additional information solely for the purpose of clarifying the procurement documents.

Any request for additional information can be made during the information sessions the contracting authority is organising in a number EU member states. You can check the dates and places of the information sessions at the following site <https://ec.europa.eu/info/tender/trad19>. Requests for additional information may also be sent to DGT-FL-TRAD-19@ec.europa.eu. The replies to all requests for additional information will be published at the following site <https://ec.europa.eu/info/tender/trad19>. The contracting authority is not bound to reply to requests for additional information received less than six working days before the date of receipt of tenders indicated in point 3.

The contracting authority may, on its own initiative, inform interested parties of any error, inaccuracy, omission or any other type of clerical error in the text of the procurement documents.

Any additional information including that referred to above will be posted on <https://ec.europa.eu/info/tender/TRAD19>. The website will be updated regularly and it is your responsibility to check for updates and modifications during the submission period.

After the opening of tenders:

If obvious clerical errors in the tender need to be corrected or confirmation of a specific or technical element is necessary, the contracting authority will contact you provided this does not lead to substantial changes to the terms of the submitted tender.

10. This invitation to tender is in no way binding on the contracting authority. The contracting authority's contractual obligation commences only upon signature of the contract with the successful tenderer.
11. Up to the point of signature, the contracting authority may cancel the procurement procedure without the candidates or tenderers being entitled to claim any compensation. This decision must be substantiated and the candidates or tenderers notified.
12. Once the contracting authority has opened the tender, it becomes its property and it shall be treated confidentially.
13. Successful tenders must pass all three stages of exclusion, selection and award. The award criteria are divided in quality criteria and the price. The quality criteria consist of one revision, one translation and one case study. They will be performed online under

controlled conditions through EPSO. Dates and other practical arrangements for the implementation of the quality criteria will be communicated later.

14. You will be informed of the outcome of this procurement procedure (award decision) by e-mail only. It is your responsibility to provide a valid e-mail address together with the contact details in the tender and to check this e-mail address regularly.
15. If processing your reply to the invitation to tender involves the recording and processing of personal data (such as your name, address and CV), such data will be processed pursuant to Regulation (EU) 2018/1725 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC. Unless indicated otherwise, your replies to the questions and any personal data requested are required to evaluate your tender in accordance with the specifications of the invitation to tender and will be processed solely for that purpose by the Directorate-General for Translation. Details concerning the processing of your personal data are available at: http://ec.europa.eu/dataprotectionofficer/privacystatement_publicprocurement_en.pdf.
16. Your personal data may be registered in the Early Detection and Exclusion System (EDES) if you are in one of the situations mentioned in Article 136 of the Financial Regulation¹. If you believe that there was maladministration, you may lodge a complaint to the European Ombudsman within two years of the date when you became aware of the facts on which the complaint is based (see <http://www.ombudsman.europa.eu>).
18. Within two months of notice of the award decision, you may launch an action for annulment of the award decision. Any request you may make and any reply from us, or any complaint for maladministration, will have neither the purpose nor the effect of suspending the time-limit for launching an action for annulment or to open a new period for launching an action for annulment. The body responsible for hearing annulment procedures is indicated in Section VI.4.1 of the contract notice.
