Subject: Petition

Dear Sir / Dear Madam,

I hereby confirm receipt of a number of emails with the subject line “Defending Our Beliefs: Reviewing the Conduct of MP Grzegorz Braun” and “Preserving Our Values: Scrutinizing the Behavior of MP Grzegorz Braun”. Please rest assured that your views have been carefully noted.

The European Commission condemns all forms of antisemitism and is implementing the EU Strategy on combating antisemitism and fostering Jewish life (2021-2030) with rigor.

Please note that the Commission is not interfering in ongoing legal proceedings of EU Member States. Member States must ensure that all fundamental rights at stake are effectively respected and protected in accordance with national law and international obligations.

Yours faithfully,

Nacira BOULEHOUAT
