## Number of fast-track procedures

NOTE I: The data contains bills that have the status of ratified or adopted. Fast-track bills are defined as bills whose processing time from submission to the 3rd reading is less than 31 days. Bills that have the status of ratified or adopted, but do not contain either a submission date or 3rd reading date are included in the data as "Not fast-track". If a bill is divided into sub-bills (A, B and C version), only the divided versions of the initial bill are included. Due to ft.dk's registration practice, the submission date for a bill does not appear on divided bills, but only on initial bills. For this reason, the submission date for divided bills is obtained from the initial bill. Bills are grouped by parliamentary session (first tuesday in october to the day before the next first tuesday of october). Data is dynamic and reflects data on ft.dk at the time data is obtained. Any registration errors and deficiencies on ft.dk are thus also represented in this statement. Source: ft.dk 2022-04-07.
