*Financial Counsellors Working Party, 30 June 2021*

# Overview of the German RRP

**10** components

**40** measures

**129** Milestones  
& Targets

**€ 25.6 bn** in  
grants

# Assessment summary

 <p>1. <b>Balanced response</b></p> <p>A</p>	 <p>2. <b>Addresses challenges identified in CSRs</b></p> <p>A</p>	 <p>3. <b>Growth, resilience and social impact</b></p> <p>A</p>	 <p>4. <b>Do no significant harm</b></p> <p>A</p>
 <p>5. <b>Green transition</b></p> <p>A</p>	 <p>6. <b>Digital transition</b></p> <p>A</p>	 <p>7. <b>Lasting impact</b></p> <p>A</p>	 <p>8. <b>Effective monitoring and implementation</b></p> <p>A</p>
 <p>9. <b>Reasonable and plausible cost estimates</b></p> <p>B</p>	 <p>10. <b>Robust control systems</b></p> <p>A</p>	 <p>11. <b>Coherence</b></p> <p>A</p>	

# Green transition

At least **42%** of the plan allocated to **climate** objectives

**DNSH:** No measure in the plan harms environmental objectives

## Key measures

- Decarbonising the industry including with an R&D programme and Carbon Contracts for Differences (€3.3 billion)
- Making the transport sector greener for instance with financial support for more than 800 000 electric vehicles (€5.4 billion)
- Large-scale energy efficiency renovation programme for residential buildings (€2.5 billion)

## Important Projects of Common European Interest

- Investing in green hydrogen at all stages of the value chain to help decarbonise the German economy (€1.5 billion)

# Digital transition

At least 52% of the plan allocated to **digital** objectives

52%

## Key investments

- Making 215 public services digitally available by 2022 (€3 billion)
- Modernising and digitalising hospitals (e.g. tele-medicine, robotics, cyber-security) and the public healthcare service (€3.8 billion)
- Creating the first national online education platform so that pupils can learn based on personalised pathways (€630 million)

## Key reforms

- Modernising and connecting registers, reducing administrative burden for citizens and businesses
- Adopting an “Innovative data policy” for Germany to foster the sharing and innovative use of data

## Sector-specific actions

- Transport:
  - ✓ railway
  - ✓ automotive sector
- Education

## Important Projects of Common European Interest

- Large-scale cross-border European initiatives:
  - to foster the industrial deployment of smart cloud (€750 million)
  - to improve the EU’s capabilities in electronics design and prepare the deployment of the next generation of low-power processors (€1.5 billion)

# Resilience

## Unlocking investments bottlenecks

- Federal-Länder programme for an efficient administration and for addressing investment bottlenecks
- Increase of administrative capacity of the public consulting agency, PD
- Simplification of planning and approval procedures in the transport sector

## Health

- Special programme to accelerate research and development of urgently needed vaccines against SARS-CoV-2

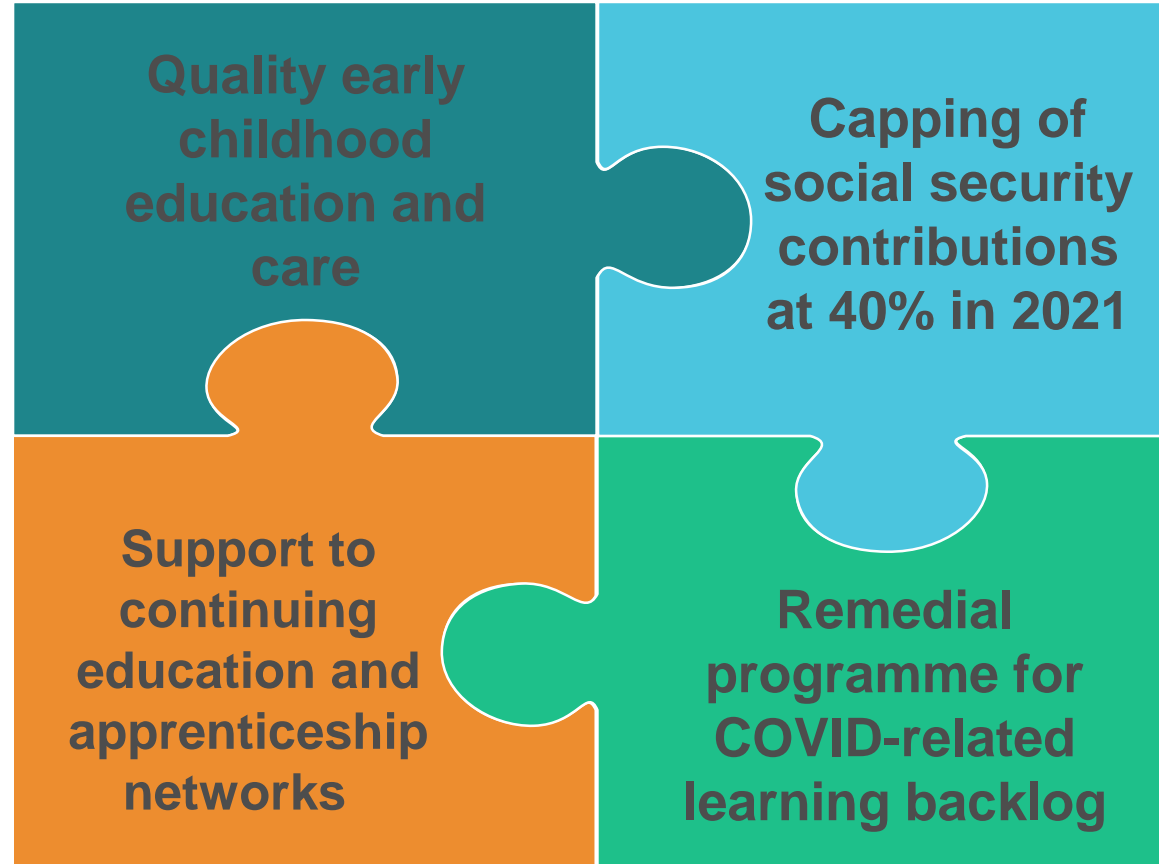

## Education & disadvantaged groups

- Educational support for students with a learning backlog due to COVID-19
- Childcare investment programme (90 000 additional childcare places)

## Labour market and pensions

- Support for apprenticeships during the crisis
- Creation of a digital pension portal to inform citizens on pension rights

# Social impact and equality screening

# Audit and control – Protection of the EU's financial interests

## Framework to protect against serious irregularities in the use of funds:

- Fraud
- Corruption
- Double funding

## Audit and control systems:

- Adequate and robust
- Relies strongly on the existing national processes and structures for auditing
- Implementation of the plan and A&C separated

## Milestones and targets:

- Clear and comprehensive milestones and targets.
- Robust verification mechanisms, data collection and responsibilities.

# The disbursement profile and associated packages of milestones and targets

Indicative deadlines in CID for completing Milestones and Targets associated with each disbursement: actual payment can take 18 weeks to complete after request

Thank you
