

Progress Review:

Joint Declaration on legislative priorities 2026 One Europe, One Market Roadmap

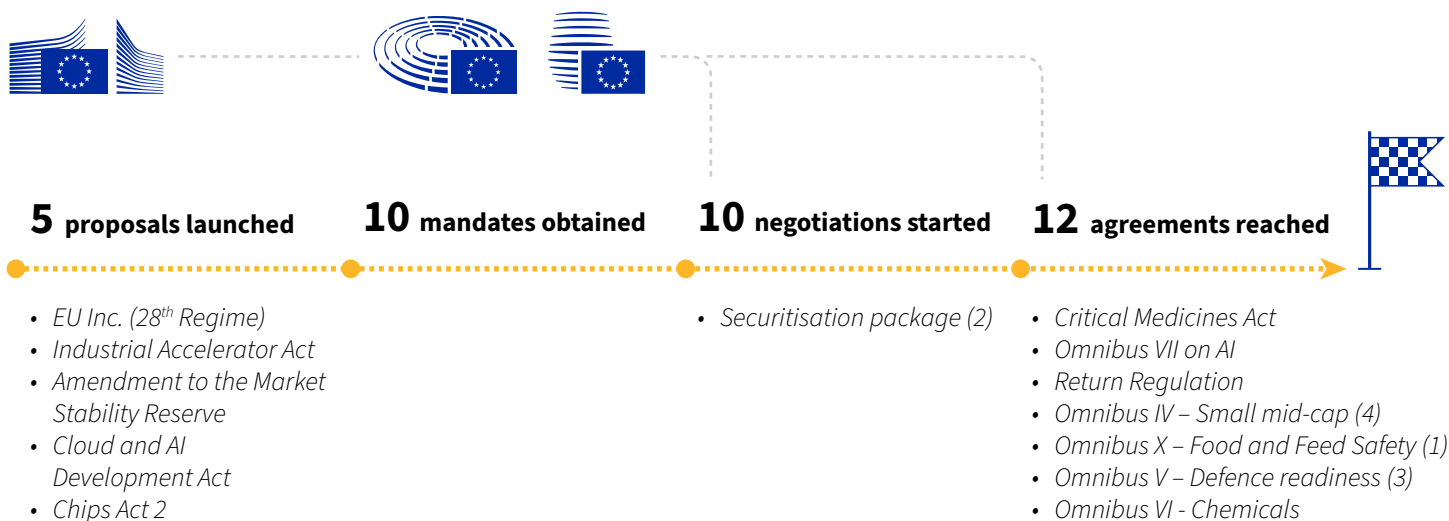

State of play
June 2026

Version: 17 June 2026

In the **Joint Declaration for 2026** the three institutions committed to working on shared key legislative proposals and to monitoring their progress throughout the year.

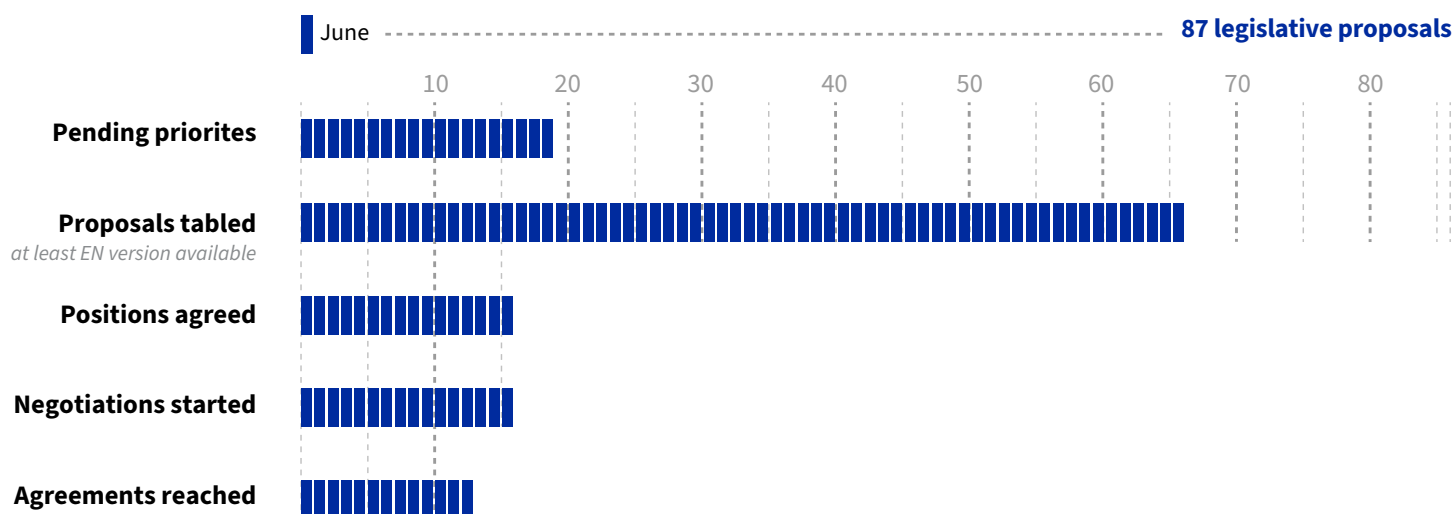

The **One Europe, One Market Roadmap** commits to delivering a fully integrated Single Market by the end of 2027.

Key achievements / March-June 2026

* The proposals are listed at their latest progress stage

Dashboard on priority proposals - Joint Declaration and Roadmap

In progress

The three institutions agreed on **ten priorities** and **five strategic building blocks** as a shared core legislative agenda. Progress is shown here below. The topical files in the **spotlight** are key proposals discussed between the three institutions during the monitoring cycle up to June 2026.

State of play
June 2026
