Judges and Court Staff

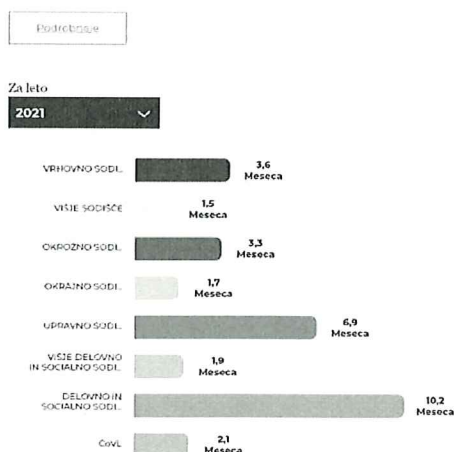

16. Use of assessment tools and standards (e.g. ICT systems for case management, court statistics and their transparency, monitoring, evaluation, surveys among court users or legal professionals)

Link to <https://poslovanje-sodstva.sodisce.si/> where information on the trend of received, resolved and unresolved cases, the duration of proceedings and the age of pending cases, as well as the number of judges and court staff and the organization of Slovenian courts is available.

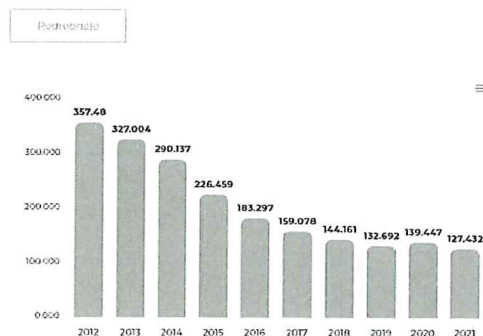

Povprečno trajanje postopkov

Povprečno trajanje postopkov se računa kot aritmetično povprečje trajanja vseh postopkov (od prejema do rešitve).

Število nerešenih pomembnejših zadev

Katere zadeve se štejejo kot pomembnejše in katere kot ostale, opredeli Ministrstvo za pravosodje v [Metodoloških osnovah za izvajanje statističnih raziskovanj o poslovanju sodišč](#). Praviloma so kot pomembnejše zadeve opredeljene tiste, kjer je potrebno vsebinsko (meritorno) odločanje, za razliko od ostalih zadev, kjer gre praviloma za formalizirano odločanje na podlagi določenih dokumentov (listin).

II) II. ANTI-CORRUPTION FRAMEWORK

B. Prevention

23. Measures to enhance integrity in the public sector and their application (including as regards incompatibility rules, revolving doors, codes of conduct, ethics training). Please provide figures on their application.
