’;

- (ii) number 11 of the envisaged contracts is replaced by the following:

‘

11.	Setting up of a foot and mouth disease antigen bank and the supply of formulated inactivated foot and mouth disease vaccines	2 nd semester 2025	1	Direct contract Indicative amount is EUR 19 000 000.
-----	--	-------------------------------	---	---

’;

4. point 4 is amended as follows:

- (a) point 4.4.1 is replaced by the following:

‘The action is implemented by the United Nations (UN), via a contribution agreement on the basis of Article 62(1), point (c)(ii), of Regulation (EU, Euratom) 2024/2509. The UN is the body best positioned to implement these

activities and deliver the expected results with regards to its technical competence and high degree of specialisation. The UN Independent Scientific Panel on evidence for action against AMR should be funded through the UN organisations.’;

- (b) in point 4.7.1, the following paragraph is added:

‘Should the chosen implementing modality be not viable for reasons not depending on the Contracting authority, the action will be implemented as a membership fee or subscription paid to bodies of which the Union is a member or an observer, pursuant to Article 245 of Regulation (EU, Euratom) 2024/2509, subject to applicability of the relevant provisions. Therefore the action will be included under point 5.7 as a fall-back position.’;

5. point 5 is amended as follows:

- (a) the introductory sentence is replaced by the following:

‘The global budgetary envelope reserved for other actions or expenditure is respectively EUR 1 180 000 for 2025, EUR 130 000 for 2026 and EUR 130 000 for 2027.’;

- (b) the following points 5.6 and 5.7 are added:

‘5.6. Technical support to combat agri-food fraud

5.6.1. Regulation (EU) 2021/690 of the European Parliament and of the Council of 28 April (Single Market Programme), and in particular Annex I thereof.

5.6.2. Budget line 03.0206 - EUR 500.000

5.6.3. General description

The purpose of this action is to continue scaling up the fight against food fraud in the Union, ensuring fair competition among operators and empowering control and enforcement authorities.

This action will provide:

Guidance to DG SANTE and the competent authorities of the Member States involved in Union controls and monitoring activities (e.g., providing detailed protocols and guidelines to ensure accurate and reliable sampling and analysis).

Joint Research Centre (JRC) in-house laboratory controls to identify fraudulent practices in Union coordinated actions which findings would be used to inform enforcement actions and policy decisions.

Development, optimisation and validation of suitable methods to detect fraudulent practices for use in official controls.

Comprehensive analysis of data for statistical evaluation, trend analysis, and the use of data analytics tools to identify patterns and anomalies indicative of food fraud. The insights gained from data analysis would support the development of targeted strategies and interventions.

5.6.4. Implementation

These actions will be implemented by the JRC through Administrative Agreement with DG SANTE.

- ‘5.7. Union support to International Plant Protection Convention of FAO for ePhyto solution (as a fall-back position)
- 5.7.1. In case action will be implemented as a membership fee or subscription paid to bodies of which the Union is a member or an observer, pursuant to Article 245 of Regulation (EU, Euratom) 2024/2509, provisions should apply as referred in point 4.7.’.
