

ANNEX I

Milestones, targets and related indicators – non-repayable support

Sequential Number	Related Measure (Reform or Investment)	Milestone / Target	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion (indicate the quarter and the year)		Responsibility for reporting and implementation	Further specification (where necessary)	Verification mechanism
					Unit of measure	Baseline	Goal	Quarter	Year			
1-1	C1.R1 - Buildings renovation / Housing policy - Reform of the APL ("aides personnelles au logement")	Milestone	Reform of the APL (« aides personnelles au logement »)	Entry into force				Q1	2021	Ministry of Ecology / Department of Housing, Town Planning and Landscape (DHUP)		Summary document duly justifying how the milestone was satisfactorily fulfilled, including a link to the publication of the decree reviewing the calculation modalities of APL in the Official Journal, an indication of the date of entry into force (including if applicable a reference to the provision specifying the entry into force), and an explanation of how the decree addresses the requirements set out in the CID Annex.
1-2	C1.R1 - Buildings renovation / Housing policy - Reform of the Pinel / PTZ schemes	Milestone	Reform of the Pinel / PTZ schemes	Entry into force				Q1	2023	Ministry of Ecology / Department of Housing, Town Planning and Landscape (DHUP)		Summary document duly justifying how the milestone was satisfactorily fulfilled, including a link to the publication of the the legislations on (i) the revision of the Pinel tax credit scheme and (ii) the revision of the PTZ schemes in the Official Journal, an indication of the date of entry into force (including if applicable a reference to the provision specifying the entry into force), the consolidated versions of the texts modified by the reform and an explanation of how the legislations address the requirements set out in the CID Annex.
1-3	C1.R2 - Buildings renovation - Revised thermal regulation RE2020	Milestone	Revision of the thermal regulation RE2020	Entry into force				Q1	2022	Ministry of Ecology / Department of Housing, Town Planning and Landscape (DHUP)		Summary document duly justifying how the milestone was satisfactorily fulfilled, including a link to the publication of the decree on the new thermal regulation of buildings (RE2020) in the Official Journal, an

Sequential Number	Related Measure (Reform or Investment)	Milestone / Target	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion (indicate the quarter and the year)		Responsibility for reporting and implementation	Further specification (where necessary)	Verification mechanism
					Unit of measure	Baseline	Goal	Quarter	Year			
												indication of the date of entry into force (including if applicable a reference to the provision specifying the entry into force), and an explanation of how the decree addresses the requirements set out in the CID.
1-4	C1.11 - Buildings renovation / Energy renovation of private buildings - Number of MPR validated	Target	Number of MPR validated		Number	0	400000	Q4	2021	National Housing Agency (ANAH)		<p>Summary document duly justifying how the target was satisfactorily fulfilled, with appropriate links to the underlying evidence.</p> <p>The document shall in particular specify the number of "MaPrimeRenov" granted by ANAH (National Housing Agency) to households committing to carry out energy renovation works in their home. It shall also specify the number of beneficiaries benefitting from the bonus to undertake renovation works to bring their home out of the status of energy sieves, and the number of "MaPrimeRenov copropriétés" granted.</p> <p>The document shall include data extracted from the data system of ANAH, categorising each MaPrimeRenov granted by a) type of beneficiaries (individual housing, copropriétés, also providing information on which beneficiaries benefit from the bonus to undertake renovation works to bring their home out of the status of energy sieves), b) whether it supports low-income, middle-income or high-income households, c) aid intensity, and d) location.</p>

Sequential Number	Related Measure (Reform or Investment)	Milestone / Target	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion (indicate the quarter and the year)		Responsibility for reporting and implementation	Further specification (where necessary)	Verification mechanism
					Unit of measure	Baseline	Goal	Quarter	Year			
1-5	C1.11 - Buildings renovation / Energy renovation of private buildings - Number of MPR validated	Target	Number of MPR validated		Number	400000	700000	Q4	2022	National Housing Agency (ANAH)		<p>Summary document duly justifying how the target was satisfactorily fulfilled, with appropriate links to the underlying evidence.</p> <p>The document shall in particular specify the number of "MaPrimeRenov" granted by ANAH (National Housing Agency) to households committing to carry out energy renovation works in their home. It shall also specify the number of beneficiaries benefitting from the bonus to undertake renovation works to bring their home out of the status of energy sieves, and the number of "MaPrimeRenov copropriétés" granted.</p> <p>The document shall include data extracted from the data system of ANAH, categorising each MaPrimeRenov granted by a) type of beneficiaries (individual housing, copropriétés, also providing information on which beneficiaries benefit from the bonus to undertake renovation works to bring their home out of the status of energy sieves), b) whether it supports low-income, middle-income or high-income households, c) aid intensity, and d) location.</p>
1-6	C1.12 - Buildings renovation / Energy renovation of social housing - Number of dwellings within the category of social housing	Target	Number of dwellings within the category of social housing receiving a grant for renovation.		Number	0	20000	Q4	2021	Housing Ministry / Department of Housing, Town Planning and Landscape (DHUP)		<p>Summary document duly justifying how the target was satisfactorily fulfilled, with appropriate links to the underlying evidence.</p> <p>The document shall in particular specify the number of dwellings within the category of social housing that</p>

					Unit of measure	Baseline	Goal	Quarter	Year			
												projects is expected to meet the objective of achieving at least 30% of energy savings on average. It shall finally justify, for each renovation project of this list, that at least one contract has been notified by the end of 2021, and that all works have the objective to be completed by the end of 2024.
1-9	C1.I3 - Buildings renovation / Energy renovation of public buildings	Target	Number of public buildings belonging to local and regional authorities (LRAs) which have been the subject of a subsidy notification from the State or the Regional Council for energy renovation works		Number	0	1954	Q2	2022	Ministry of Territorial Cohesion / General Directorate of Local Authorities		<p>Summary document duly justifying how the target was satisfactorily fulfilled, with appropriate links to the underlying evidence.</p> <p>The document shall include data extracted from the General Directorate of Local Authorities made by the State administration in the local authority concerned ("préfecture" of the Region).</p> <p>The document shall specify the number of public buildings belonging to LRAs, which have been subject to a subsidy notification for energy renovation works, from the State or the Regional Council, including a) beneficiaries; b) type of building to be renovated; c) location; d) expected date of completion; e) energy savings (except for projects below EUR 70,000 HT). It shall also justify how the selection of projects is expected to meet the objective of achieving at least 30% of energy savings on average. It shall finally justify that the objective is to have all subsidies notified by the end of 2021.</p>

Sequential Number	Related Measure (Reform or Investment)	Milestone / Target	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion (indicate the quarter and the year)		Responsibility for reporting and implementation	Further specification (where necessary)	Verification mechanism
					Unit of measure	Baseline	Goal	Quarter	Year			
1-10	C1.13 - Buildings renovation / Energy renovation of public buildings	Target	Number of m ² of floors of public sites belonging to the State where energy renovation has been completed.		Number of square meters (in million)	0	20	Q4	2023	Ministry of Economy, Finance and Recovery / Department of State Real Estate		<p>Summary document duly justifying how the target was satisfactorily fulfilled, with appropriate links to the underlying evidence.</p> <p>The document shall include data extracted from a web reporting tool of the Department of State Real Estate.</p> <p>The document shall specify the list and number of completed projects, including a) beneficiaries; b) number of square metres of floors of the site where energy renovation will be completed; c) location; d) level of energy savings achieved (except for projects below EUR 70,000 HT). The document shall also include an explanation on how the objective of achieving at least 30% of energy savings on average was integrated in the implementation process of the measure.</p>
1-11	C1.13 - Buildings renovation / Energy renovation of public buildings	Target	Number of m ² of floors of public sites belonging to the State where energy renovation has been completed.		Number of square meters (in million)	20	28,75	Q4	2024	Ministry of Economy, Finance and Recovery / Department of State Real Estate		<p>Summary document duly justifying how the target was satisfactorily fulfilled, with appropriate links to the underlying evidence.</p> <p>The document shall include data extracted from a web reporting tool of the Department of State Real Estate.</p> <p>It shall specify the number of square meters renovated in public buildings belonging to the State and specifying the level of energy savings achieved.</p> <p>The document shall specify the list and number of completed projects, including a) beneficiaries; b) number of</p>

												square metres of floors of the site where energy renovation will be completed; c) location; d) level of energy savings achieved (except for projects below EUR 70,000 HT). The document shall also include an explanation on how the objective of achieving at least 30% of energy savings on average was integrated in the implementation process of the measure.
1-12	C1.I3 - Buildings renovation / Energy renovation of public buildings	Target	Number of schools, colleges or high schools where the energy renovation works have been completed		Number	0	681	Q4	2024	Ministry of Territorial Cohesion / General Directorate of Local Authorities		<p>Summary document duly justifying how the target was satisfactorily fulfilled, with appropriate links to the underlying evidence.</p> <p>The document shall include data collected by the General Directorate of Local Authorities at the level of the State administration in the local authority concerned ("préfecture" of the Region).</p> <p>It shall specify the list and number of schools, colleges or high schools where energy renovation works have been completed, including a) beneficiaries; b) type of building renovated; c) location; d) level of energy savings achieved. The document shall also include an explanation on how the objective of achieving at least 30% of energy savings on average was integrated in the implementation process of the measure.</p>

Sequential Number	Related Measure (Reform or Investment)	Milestone / Target	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion (indicate the quarter and the year)		Responsibility for reporting and implementation	Further specification (where necessary)	Verification mechanism
					Unit of measure	Baseline	Goal	Quarter	Year			
1-13	C1.I4 - Buildings renovation / Energy renovation of VSEs and SMEs	Target	Number of companies benefitting from the tax credit and the support schemes		Number	0	5000	Q4	2023	Ministry of Economy, Finance and Recovery (collection of data), and Ministry of Ecological Transition (monitoring) and General Directorate for Enterprises (support schemes)		<p>Summary document duly justifying how the target was satisfactorily fulfilled, with appropriate links to the underlying evidence.</p> <p>The document shall include data extracted from the database of the Ministry of Economy, Finance and Recovery for the tax credit.</p> <p>It shall specify the list and number of companies having benefited from the tax credit and the support schemes related to energy renovation works, including a) beneficiaries; b) which support mechanism has been used for each project; c) location.</p>
2-1	C2.R1 - Ecology and biodiversity / Reform: Law on Climate and Resilience	Milestone	Law Climate & Resilience	Entry into force				Q2	2022	Ministry of Ecological Transition		<p>Summary document duly justifying how the milestone was satisfactorily fulfilled, including a link to the publication of the Law Climate & Resilience in the Official Journal, an indication of the date of entry into force of the provisions in the law that have direct applicability (including if applicable a reference to the provision specifying the entry into force), and an explanation of how the law addresses the requirements set out in the CID Annex.</p>
2-2	C2.R1 - Ecology and biodiversity / Reform: Law on Climate and Resilience	Milestone	Law Climate & Resilience – Implementing Act	Entry into force				Q4	2025	Ministry of Ecological Transition / General Directorate for Energy and Climate (DGEC)		<p>Summary document duly justifying how the milestone was satisfactorily fulfilled, including a link to the publication of the decree concerning the setting up of low GHG emissions zones in cities above 150 000 inhabitants in the Official Journal, an indication of the date of entry into force (including if applicable a reference to the provision specifying the entry into</p>

Sequential Number	Related Measure (Reform or Investment)	Milestone / Target	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion (indicate the quarter and the year)		Responsibility for reporting and implementation	Further specification (where necessary)	Verification mechanism
					Unit of measure	Baseline	Goal	Quarter	Year			
												force), and an explanation of how the decree addresses the requirements set out in the CID Annex.
2-3	C2.R2 - Ecology and biodiversity / Reform: Law on circular economy	Milestone	Decrees implementing the anti-waste and circular economy Law	Entry into force				Q1	2022	Ministry of Ecological Transition / General Directorate for Risk Prevention (DGPR)		Summary document duly justifying how the milestone was satisfactorily fulfilled, including a link to the publication of the implementing acts (decision and decrees) in the Official Journal, an indication of the date of entry into force (including if applicable a reference to the provision specifying the entry into force), and an explanation of how the implementing acts address the requirements set out in the CID Annex.
2-4	C2.11 - Ecology and biodiversity / Decarbonisation of industry	Target	Greenhouse gas emissions avoided		MtCO ₂ (million tonnes of CO ₂ equivalent)	0	3,5	Q2	2021	Ministry of Economy, Finance and Recovery / General Directorate for Enterprises (DGE) / Industry Service (SI),SDPI		<p>Summary document duly justifying how the target was satisfactorily fulfilled, with appropriate links to the underlying evidence.</p> <p>The document shall indicate the amount of MtCO₂ avoided, in line with the requirements of the CID Annex.</p> <p>It shall also justify how the measure is expected to meet the objective that investments made within ETS installations shall enable to decrease CO₂ emissions below the benchmark included in the ETS Directive. Where the activity supported achieves projected greenhouse gas emissions that are not significantly lower than the relevant benchmarks an explanation of the reasons why this is not possible should be provided, in line with the CID Annex.</p> <p>The document shall also specify the list and number of projects, including</p>

Sequential Number	Related Measure (Reform or Investment)	Milestone / Target	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion (indicate the quarter and the year)		Responsibility for reporting and implementation	Further specification (where necessary)	Verification mechanism
					Unit of measure	Baseline	Goal	Quarter	Year			
												a) beneficiaries; b) location; c) data concerning the objectives of GHG emissions avoided (in million tonnes of CO ₂ equivalent) in the replies of the companies selected by the calls for tenders; d) for EU ETS installations, the installation's identifier in the European Union Transaction Log identifier (EUTL) ¹ , the applicable benchmark targeted for improvements, the technologies supported and targeted emissions reductions. Such data shall come from the registry of the DGE/SI/SDPI of the Ministry of Economy, Finance and Recovery.
2-5	C2.11 - Ecology and biodiversity / Decarbonisation of industry	Target	Greenhouse gas emissions avoided		MtCO ₂ (million tonnes of CO ₂ equivalent)	3,5	5	Q4	2022	Ministry of Economy, Finance and Recovery / General Directorate for Enterprises (DGE) / Industry Service (SI), sub-directorate of transport equipment, mechanics and energy (SDTME)		The document shall indicate the amount of MtCO ₂ avoided, in line with the requirements of the CID Annex. It shall also justify how the measure is expected to meet the objective that investments made within ETS installations shall enable to decrease CO ₂ emissions below the benchmark included in the ETS Directive. Where the activity supported achieves projected greenhouse gas emissions that are not significantly lower than the relevant benchmarks an explanation of the reasons why this is not possible should be provided, in line with the CID Annex. The document shall also specify the list and number of projects, including a) beneficiaries; b) location; c) data concerning the objectives of GHG emissions avoided (in million tonnes of

¹ The EUTL as established by Article 5 of the Commission Regulation (EU) No 389/2013.

					Unit of measure	Baseline	Goal	Quarter	Year			
												categorisation of the operation; b) beneficiaries; c) surface area; d) location. The data shall be extracted from the "aid for territories" platform managed by the DHUP (Directorate for Housing, Town Planning and Landscape).
2-8	C2.I3 - Ecology and biodiversity / Urban densification: brownfields	Target	Number of projects for which a grant has been signed for recycling operation of wasteland or of urbanized area		Number	90	200	Q1	2023	Ministry of Housing / General Directorate for Housing, Town Planning and Landscape (DHUP)		Summary document duly justifying how the target was satisfactory fulfilled, with appropriate links to the underlying evidence. The document shall include the list and number of projects for which a grant has been signed including a) description of the project, including categorisation of the operation; b) beneficiaries; c) surface area; d) location. The data shall be extracted from the "aid for territories" platform managed by the DHUP (Directorate for Housing, Town Planning and Landscape).
2-9	C2.I4- Ecology and biodiversity / Biodiversity	Target	Number of projects supported in the fields of ecological restoration and protected areas		Number	0	700	Q4	2022	Ministry of Ecological Transition / General Directorate for Planning, Housing and Nature (DGALN), Department of Water and Biodiversity (DEB)		Summary document duly justifying how the target was satisfactory fulfilled, with appropriate links to the underlying evidence. This document shall include the list and number of projects supported in the fields of ecological restoration and protected areas including a) description of the project, specifying the categories (ecological restoration, protected areas) and sub-categories of projects in line with the CID Annex; b) beneficiaries; c) location.

Sequential Number	Related Measure (Reform or Investment)	Milestone / Target	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion (indicate the quarter and the year)		Responsibility for reporting and implementation	Further specification (where necessary)	Verification mechanism
					Unit of measure	Baseline	Goal	Quarter	Year			
												These data shall be extracted from the system set up by the Ministry of Ecological Transition.
2-10	C2.I5- Ecology and biodiversity / Prevention of seismic risks in the DOM	Target	Number of buildings concerned – seismic risks in the DOM		Number	0	15	Q4	2023	Ministry of Ecological Transition / General Directorate for Risk Prevention (DGPR)		<p>Summary document duly justifying how the target was satisfactory fulfilled, with appropriate links to the underlying evidence.</p> <p>This document shall include the list of buildings in the DOM for which a subsidy has been granted to carry out earthquake-resistant reinforcement works including a) type of building; b) beneficiaries; c) location.</p> <p>The data shall be extracted from the database of the Department of Environment, Planning and Housing in the DOM.</p>
2-11	C2.I6- Ecology and biodiversity / Secure water networks	Target	Number of linear km of drinking water networks and sanitation networks supported		Km	0	450	Q4	2022	Ministry of Ecological Transition / General Directorate for Planning, Housing and Nature (DGALN), Department of Water and Biodiversity (DEB)		<p>Summary document duly justifying how the target was satisfactory fulfilled, with appropriate links to the underlying evidence.</p> <p>The document shall include the number of kilometres of drinking water networks and sanitation networks which renovation works have started. It shall specify the list of projects including a) description of the project, including whether the project relates to drinking water or sanitation; b) beneficiaries; c) number of linear km supported; d) location.</p> <p>The data shall be extracted from the system set up by the Ministry of Ecological Transition.</p>

Sequential Number	Related Measure (Reform or Investment)	Milestone / Target	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion (indicate the quarter and the year)		Responsibility for reporting and implementation	Further specification (where necessary)	Verification mechanism
					Unit of measure	Baseline	Goal	Quarter	Year			
2-12	C2.17- Ecology and biodiversity / Modernization of sorting centers	Target	Number of contracts signed for the modernization of sorting centers		Number	0	32	Q4	2022	Agency for Ecological Transition (ADEME)		<p>Summary document duly justifying how the target was satisfactorily fulfilled, with appropriate links to the underlying evidence.</p> <p>The document shall include the list of selected projects, including: a) description of the project, including number of inhabitants to be served for the paper and household packaging waste sorting centres; b) beneficiaries; c) location.</p> <p>The data shall be extracted by the Agency for Ecological Transition (ADEME) through the monitoring of "conventions" signed with project leaders to modernize sorting centers.</p>
2-13	C2.17- Ecology and biodiversity / Modernization of sorting centers	Milestone	Investment in waste sorting and collection, and in medical waste treatment	Communication of the list of beneficiaries				Q4	2022	Agency for Ecological Transition (ADEME)		<p>Document presenting the result of the calls for tenders and aid schemes with the list of beneficiaries on the modernisation of sorting centers, published by ADEME.</p> <p>The document shall include the list of selected projects, including: a) description of the project, including number of inhabitants to be served in communities that have benefitted from support for sorting biowaste; b) beneficiaries; c) location.</p>
2-14	C2.17- Ecology and biodiversity / Modernization of sorting centers	Target	Number of sorting centres modernized		Number	0	32	Q4	2025	Agency for Ecological Transition (ADEME)		<p>Summary document duly justifying how the target was satisfactorily fulfilled, with appropriate links to the underlying evidence.</p> <p>This document shall include the list of completed projects, including a copy of the certificate of completion issued in accordance with national legislation.</p>

Sequential Number	Related Measure (Reform or Investment)	Milestone / Target	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion (indicate the quarter and the year)		Responsibility for reporting and implementation	Further specification (where necessary)	Verification mechanism
					Unit of measure	Baseline	Goal	Quarter	Year			
												The data shall be based on the documents conditioning the last payment to beneficiaries by ADEME.
2-15	C2.I8- Ecology and biodiversity / Recycling and reuse	Target	Quantity of plastic materials avoided		Tonnes	0	275000	Q4	2025	Agency for Ecological Transition (ADEME)		<p>Summary document duly justifying how the target was satisfactory fulfilled, with appropriate links to the underlying evidence.</p> <p>The document shall be based on the reporting made by the Agency of Ecological Transition (ADEME) on the "conventions" signed with project leaders, and data monitored by the Agency of Ecological Transition (ADEME) based on the documents conditioning the last payment to beneficiaries (winners of the call for tenders and recipients of aid schemes). It shall make the link to the various types of interventions indicated in the CID Annex.</p>
2-16	C2.I9- Ecology and biodiversity / Plant protein plan	Target	Number of projects that shall receive fund from the "protein plan" in order to invest in protein plant production		Number	0	1200	Q1	2022	Ministry of Agriculture and Food / General Directorate for Economic and Environmental Performance of Enterprises (DGPE)		<p>Summary document duly justifying how the target was satisfactory fulfilled, with appropriate links to the underlying evidence.</p> <p>The document shall be obtained from FranceAgrimer database on the investment support provided by the plant protein plan.</p> <p>The document shall include the list of selected projects, including: a) description of the project, including type of investment support indicated in the CID Annex (equipment in protein-rich crop farms; restructuring of the plant protein supply chain); b) beneficiaries; c) number of hectares</p>

Sequential Number	Related Measure (Reform or Investment)	Milestone / Target	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion (indicate the quarter and the year)		Responsibility for reporting and implementation	Further specification (where necessary)	Verification mechanism
					Unit of measure	Baseline	Goal	Quarter	Year			
2-17	C2.I10- Ecology and biodiversity / Forest	Target	Surface area of forests for which a grant has been committed in order to improve, adapt, regenerate or reconstitute the forest		Hectare	0	30000	Q1	2023	Ministry of Agriculture and Food / General Directorate for Economic and Environmental Performance of Enterprises (DGPE) / Services and Payment Agency (ASP)		concerned; d) location. Summary document duly justifying how the target was satisfactory fulfilled, with appropriate links to the underlying evidence. List of the selected projects, based on an extraction from ASP (Services and Payment Agency) related to the "forest renewal" measure of the French recovery and resilience plan. The document shall include the list of selected projects, including: a) file number and description of the project, including type of intervention indicated in the CID Annex (Improvement of forests stands of low economic and environmental quality; Restoration of the forests seriously affected or destroyed by bark beetles in Eastern France. Adaptation of forest stands that are vulnerable to the impacts of climate change); b) beneficiaries; c) surface area concerned; d) location (département).
3-1	C3.R1 Mobility law	Milestone	Article 35.2 of Law No 2019-1428 of 24 December 2019 on mobility	Entry into force				Q3	2020	Ministère de la transition écologique - Direction générale des infrastructures, des transports et de la mer		Publication of the legislation in the Official Journal including a reference to the provision in the law indicating the entry into force.

Sequential Number	Related Measure (Reform or Investment)	Milestone / Target	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion (indicate the quarter and the year)		Responsibility for reporting and implementation	Further specification (where necessary)	Verification mechanism
					Unit of measure	Baseline	Goal	Quarter	Year			
3-2	C3.R1 Mobility law	Milestone	Article 172 of Law No 2019-1428 of 24 December 2019 on mobility	Entry into force				Q2	2021	Ministère de la transition écologique - Direction générale des infrastructures, des transports et de la mer		Publication of the legislation in the Official Journal including a reference to the provision in the law indicating the entry into force.
3-3	C3.R1 Mobility law	Milestone	Article 3 of Law No 2019-1428 of 24 December 2019	Establishment of the update				Q4	2023	Ministère de la transition écologique - Direction générale des infrastructures, des transports et de la mer		Publication of the legislation in the Official Journal including a reference to the provision in the law indicating the entry into force.
3-4	C3.R2 Green Budget	Milestone	Green budget with the Financing law	Publication by the Government				Q4	2021	Ministère de l'économie		Publication of the report on the environmental impact of the 2021 State budget, based on an improved methodology taking into account operating expenditure.
3-5	C3.I1 Support to railway	Milestone	Conclusion of the funding agreements	Adoption by the AFITF board				Q3	2021	Ministère de la transition écologique - Direction générale des infrastructures, des transports et de la mer		Signed funding agreement(s) by the AFITF accompanied by a summary document providing the list of projects to be financed, the type of works and the number of kilometres of lines renovated.
3-6	C3.I1 Support to railway	Target	Switches		Number	0	272	Q1	2022	Ministère de la transition écologique - Direction générale des infrastructures, des transports et de la mer and Ministère de l'économie - Agence des		Summary document duly justifying how the target was satisfactorily fulfilled, with appropriate links to the underlying evidence. This document shall include a) the list of the switches installed, b) date of installation c) location.

1-7	C1-I1 - Energy renovation of social housing	Target	Number of dwellings within the category of social housing receiving a grant for renovation.		Number	20000	40000	Q4	2022
1-7.a	<i>Ex-post monitoring</i>	<i>Monitoring</i>	<i>Progress report on the status of implementation of the measure, including the number of dwellings within the category of social housing having finalised energy renovation works following a grant for renovation.</i>					<i>Q2</i>	<i>2025</i>
1-8	C1-I3 - Energy renovation of public buildings	Target	Number of renovation projects of public sites belonging to the State, for which at least one renovation works contract has been notified		Number of projects	0	2900	Q4	2021
1-8.a	<i>Interim step</i>	<i>Monitoring</i>	<i>Progress report on the integration of the objective of achieving at least 30% of energy savings on average in the process of implementation of the measure.</i>					<i>Q4</i>	<i>2022</i>
1-9	C1-I3 - Energy renovation of public buildings	Target	Number of public buildings belonging to local and regional authorities (LRAs) which have been the subject of a subsidy notification from the State or the Regional Council for energy renovation works.		Number	0	1954	Q2	2022
1-9.a	<i>Interim step</i>	<i>Monitoring</i>	<i>Progress report on the integration of the objective of achieving at least 30% of energy savings on average in the process of implementation of the measure.</i>					<i>Q2</i>	<i>2023</i>
1-9.b	<i>Ex-post monitoring</i>	<i>Monitoring</i>	<i>Progress report on the status of implementation of the measure, including the number of public buildings belonging to local and regional authorities (LRAs), other than schools, colleges or high schools, where the energy renovation works have been completed, and information on the average of</i>					<i>Q4</i>	<i>2024</i>

#	Related Measure (Reform or Investment)	Milestone / Target / Monitoring	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion	
			<i>energy savings achieved through the measure over the period.</i>						
Component 2									
2-5	C2.I1 - Ecology and biodiversity / Decarbonisation of industry	Target	Greenhouse gas emissions avoided		MtCO ₂ (million tonnes of CO ₂ equivalent)	0	5	Q4	2022
2-5.a	<i>Ex-post monitoring</i>	<i>Monitoring</i>	<i>Progress report on the status of implementation of the measure including the amount of MtCO₂ avoided (in line with the requirements of the CID Annex), and information on the decrease of CO₂ emissions below the benchmark included in the ETS Directive occurred thanks to the investment for projects having received the full financial support.</i>					<i>Q4</i>	<i>2025</i>
2-6	C2.I2 - Urban densification: sustainable construction	Target	Number of municipalities benefiting from the aid		Number	0	1200	Q4	2021
2-6.a	<i>Ex-post monitoring</i>	<i>Monitoring</i>	<i>Progress report detailing progress on the measure, including the names of the municipalities benefiting from the aid on sustainable construction in urban strained areas.</i>					<i>Q4</i>	<i>2025</i>
2-7	C2.I3 Urban densification: brownfields	Target	Number of projects for which a grant has been signed for recycling operation of wasteland or of urbanized area		Number	90	200	Q1	2023
2-7.a	<i>Ex-post monitoring</i>	<i>Monitoring</i>	<i>Progress report detailing progress on the measure, notably the number of projects for which works have been completed, the location of the work and the planning for future works (including name and location of the projects)</i>					<i>Q4</i>	<i>2025</i>
2-9	C2.I4 - Biodiversity	Target	Number of projects supported in the fields of ecological restoration and protected areas		Number	0	700	Q4	2022
2-9.a	<i>Ex-post monitoring</i>	<i>Monitoring</i>	<i>Progress report detailing progress on the measure, including notably the number of projects for which works have been completed, the location of the work and the planning for future works (including name and location of the projects).</i>					<i>Q4</i>	<i>2024</i>
2-11	C2.I6 - Secure water networks	Target	Number of kilometres of drinking water networks or sanitation networks for which renovation works have been started.		Number	0	450	Q4	2022
2-11.a	<i>Ex-post monitoring</i>	<i>Monitoring</i>	<i>Progress report detailing progress on the measure (including name and location of the projects)</i>					<i>Q4</i>	<i>2024</i>

#	Related Measure (Reform or Investment)	Milestone / Target / Monitoring	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion	
2-15	C2.I8 Recycling and reuse	Target	Quantity of plastic materials avoided		Tonnes	0	275000	Q4	2025
2-15.a	<i>Interim step</i>	<i>Monitoring</i>	<i>Progress report detailing progress on the measure, notably the quantity of plastic materials avoided</i>					Q2	2023
2-16	C2.I9 - Ecology and biodiversity / Plant protein plan	Target	Number of projects that shall receive funds from the “protein plan” in order to invest in protein plant production, after the selection by the calls for tenders.		Number	0	1200	Q1	2022
2-16.a	<i>Ex-post monitoring</i>	<i>Monitoring</i>	<i>Progress report detailing progress on the measure, notably the exhaustive list of beneficiaries, the list of equipment actually financed for each beneficiary, the function of each equipment for the cultivation/transformation of plant proteins, the location of the investments financed, a description of each beneficiary (for example, the specialisation of the farms receiving the investments).</i>					Q4	2024
2-17	C2.I10 – Ecology and biodiversity / Forest	Target	Surface area of forests for which a grant has been committed in order to improve, adapt, regenerate or reconstitute the forest.		Hectare	0	30 000	Q1	2023
2-17.a	<i>Ex-post monitoring</i>	<i>Monitoring</i>	<i>Progress report detailing progress on the measure, notably the surface area of forests for which works aiming at improving, adapting, regenerating or reconstituting the forest have been completed and the planning for future works.</i>					Q2	2025
Component 3									
3-10	C3.I1 Support to railway	Milestone	Environmental treatment of railways					Q4	2022
3-10.a	<i>Ex-post monitoring</i>	<i>Monitoring</i>	<i>Progress report detailing progress on the measure, notably the results of the research and development activities and the reduction of glyphosate and glyphosate-based products used compared to 2020.</i>					Q4	2024
3-11	C3.I1 Support to railway	Target	Local railways lines		Km	0	500	Q4	2023

#	Related Measure (Reform or Investment)	Milestone / Target / Monitoring	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion	
3-11.a	Interim step	Monitoring	Progress report detailing progress on both measures, indicating for each measure the number of kilometres already covered, the location of the works and the planning for future works.					Q4	2022
3-12	C3.II Support to railway	Target	Renovated freight lines		Km	0	150	Q4	2023
3-11.a 3-12.a	Interim Step	Monitoring	Progress report detailing progress on both measures, indicating for each measure the number of kilometres already covered, the location of the works and the planning for future works.					Q4	2022
3-19	C3.I3 Daily mobility	Target	Public transport reserved lanes		Km	0	20	Q4	2024
3-19a	Interim Step	Monitoring	Interim report detailing progress towards the target, including for each project a description of the tendering procedure, the number of kilometres already built and the planning for future works.					Q2	2023
3-25	C3.I4 Acceleration of transport infrastructure works	Target	Projects realised on waterways		Number	0	100	Q4	2024
3-25.a	Interim Step	Monitoring	Interim report detailing progress towards the target (including the list of projects (name and location) where works were already done and the planning (name and location) for the next works).					Q2	2023
3-32	C3.I7 Strengthening the resilience of electricity grids	Milestone	Beginning of projects	Report evidencing the completion				Q4	2023

#	Related Measure (Reform or Investment)	Milestone / Target / Monitoring	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion	
3-32.a	Ex-post monitoring	Monitoring	Report detailing progress towards the milestone (including the name and location of the projects already started and the planning (name and location) for the next works.					Q4	2024
Component 4									
4-4	C4.I1: Innovate for the green transition	Milestone	Award of the contracts – implementing decision of the Prime Minister	Report from the ‘Secrétariat Général pour l’Investissement’ (SGPI)	-	-	-	Q4	2023
4-4.a	Ex-post monitoring	Monitoring	For each call, list of selected projects with their respective implementation status, including progress achieved to date and next steps.					Q4	2025
4-7	C4.I2: Develop decarbonised hydrogen	Target	Volume of hydrogen produced under the support mechanism		Tonnes	12000	100000	Q4	2025
4-7.a	Interim Step	Monitoring	Information on the volume of hydrogen produced under the support mechanism to date, specifying the volume of hydrogen produced from renewable and from low-carbon energy sources.					Q2	2024
4-8	C4.I2: Develop decarbonised hydrogen	Milestone	Signature of decision to attribute financial support to private promoters under the IPCEI on hydrogen	Publication on webpage				Q3	2022
4-8.a	Interim Step	Monitoring	Progress report on the status of implementation of the IPCEI, including list of selected projects with their respective implementation status, including progress achieved to date and next steps.					Q2	2024
4-9	C4.I2: Develop decarbonised hydrogen	Target	Electrolyser production capacity		MW/yr		140	Q4	2025

#	Related Measure (Reform or Investment)	Milestone / Target / Monitoring	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion	
4-9.a	Interim Step	Monitoring	Information on the additional total capacity of the electrolyzers (expressed in input-based electricity consumption) that can be produced annually by electrolyser factories developed by all the beneficiaries of the IPCEI by Q4 2024, as declared by each individual beneficiary of the IPCEI, and aggregated.					Q4	2024
4-11	C4.I3: Support plan to the aeronautics sector	Target	Number of R&D projects to promote low-carbon and energy efficient aircraft selected		Number	0	200	Q4	2022
4-11.a	Interim Step	Monitoring	Interim report describing how the selection process is organised.					Q1	2022
4-11.b	Ex-post monitoring	Monitoring	List of selected projects with their respective implementation status, including progress achieved to date and next steps.					Q4	2024
4-12	C4.I3: Support plan to the aeronautics sector	Target	Number of projects completed, under the investment support fund		Number	0	180	Q4	2025
4-12.a	Interim Step	Monitoring	List of selected projects with their respective implementation status, including progress achieved to date and next steps.					Q4	2023
4-12.b	Ex-post monitoring	Monitoring	Progress report on the status of implementation of the 120 projects initially selected but not part of the reporting of Q4 2025, including information on the progress achieved to date and next steps.					Q2	2026
Component 5									
5-4	C5.I1: Regional investment funds	Target	Contribution to regional investment funds		Amount	0	EUR 1 000 000 000	Q4	2022

#	Related Measure (Reform or Investment)	Milestone / Target / Monitoring	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion	
5-4	Ex-post monitoring	Monitoring	Evidence that the reflows linked to the funds were reinvested for the same policy objective					Q2	2026
Component 6									
6-6	C6.I2 PIA - Key digital technologies	Milestone	Launch of the calls for proposals or interest	Publication on the 'Secrétariat Général pour l'Investissement' (SGPI) website				Q4	2023
6-6.a	Interim Step	Monitoring	Interim report detailing progress towards the milestone (including all the constitutive elements, at least the list of calls for proposals or calls for interest to be launched for each of the 'acceleration strategies', and the draft terms of reference for each call, including eligibility criterion to ensure the environmental neutrality of the applications of the funded solution in line with the CID Annex).					Q4	2022
6-7	C6.I2 PIA - Key digital technologies	Milestone	Awards of contracts – implementing decision of the Prime Minister	Report from the 'Secrétariat Général pour l'Investissement' (SGPI)				Q4	2024
6-7.a	Ex-post monitoring	Monitoring	For each call, list of selected projects with their respective implementation status, including progress achieved to date and next steps.					Q4	2025
6-9	C6.I3 PIA – innovative businesses	Milestone	Awards of contracts – implementing decision of the Prime Minister	Report from the 'Secrétariat Général pour l'Investissement' (SGPI)				Q4	2024
6-9.a	Ex-post monitoring	Monitoring	For each call, list of selected projects with their respective implementation status, including progress achieved to date and next steps.					Q4	2025
6-12	C6.I4 Space	Milestone	Investments in Ariane 6	Follow-up of the progress of the European Space Agency by the National Centre for Space Studies (CNES)				Q4	2024

#	Related Measure (Reform or Investment)	Milestone / Target / Monitoring	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion	
6-12.a	Interim step	Monitoring	Interim report on the implementation of the Ariane 6 programme	Report by the CNES				Q2	2023
Component 7									
7-19	C7.I3 Cybersecurity of central government	Milestone	Investment to increase governmental cybersecurity	Report to be provided by the French Government providing evidence of completion				Q4	2024
7-19.a	Interim Step	Monitoring	Interim report detailing progress towards the implementation of the cybersecurity projects: <ul style="list-style-type: none"> • Creation of response teams • Deployment of diagnostic packs • Acquisition of cybersecurity tools • Increase of detection capacity of cyberattacks The report shall include all relevant constitutive elements: calls for tenders, contracts signed.					Q4	2022
7-22	C7.I5 Equipment of Ministry of Interior	Milestone	Investment to reinforce the digital equipment of the Ministry of Interior	Report to be provided by the French Government providing evidence of completion				Q4	2023
7-22.a	Interim Step	Monitoring	Interim report detailing the progress towards the implementation of the projects: <ul style="list-style-type: none"> • Improvement of State interministerial network • Upgrade of the IT system for local administrations • Installation of security cameras • Upgrade of the network security • Works to improve resilience of data centres The report shall include all relevant constitutive elements: calls for tenders (when applicable), contracts signed.					Q4	2022
7-23	C7.I6 Applications of the Ministry of Interior	Milestone	Investment in digital applications developed by the Ministry of Interior	Report to be provided by the French Government providing evidence of completion				Q2	2025

#	Related Measure (Reform or Investment)	Milestone / Target / Monitoring	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion	
7-23.a	Interim Step	Monitoring	<p>Interim report detailing the progress towards the development of applications:</p> <ul style="list-style-type: none"> • Upgrade of SI Elections • Creation of the first step of the application "Plainte en ligne" • Creation of application FR-Alert • Actions and experimentations driven by the Marcus 112 project • Upgrade of SIV • Deployment of LOG MI • Deployment of IT project "Preparation for the future" <p>The report shall include all relevant constitutive elements: calls for tenders (when applicable), contracts signed.</p>					Q4	2023
7-24	C7.I7 Teleworking in the Ministry of Interior	Milestone	Investment to reinforce the digital connectivity of the Ministry of Interior	Report to be provided by the French Government providing evidence of completion				Q4	2023
7-24.a	Interim Step	Monitoring	<p>Interim report detailing the progress towards the implementation of the projects:</p> <ul style="list-style-type: none"> • Upgrade of the teleworking environment of the Ministry • Deployment of Radio du futur • Installation of NEO stations <p>The report shall include all relevant constitutive elements: calls for tenders (when applicable), contracts signed.</p>					Q4	2022
7-25	C7.I8 Digital upgrade of the education system	Milestone	Investment to upgrade the digital services of the Ministry of National Education	Report to be provided by the French Government providing evidence of completion				Q2	2026
7-25.a	Interim Step	Monitoring	<p>Interim report detailing the progress towards the implementation of the projects:</p> <ul style="list-style-type: none"> • Modernization of IT tools for 1st degree education • Deployment of the single authentication system to access digital education services • Deployment of the secure solution to access digital resources in primary schools • Transformation and modernization of academic infrastructure and tools • Generalization of tools and services allowing remote work <p>The report shall include all relevant constitutive elements: calls for tenders, contracts signed.</p>					Q4	2024

#	Related Measure (Reform or Investment)	Milestone / Target / Monitoring	Name	Qualitative indicators (for milestones)	Quantitative indicators (for targets)			Timeline for completion	
7-27	C7.I10 Digital access in higher education	Target	Number of students having access to digital training			0	1,400,000	Q4	2024
7-27.a	<i>Interim Step</i>	<i>Monitoring</i>	<i>Interim report detailing progress towards the target and how it will be achieved (including all the constitutive elements: calls for tenders, contracts signed, number of students having already access to the training.</i>					<i>Q4</i>	<i>2022</i>
7-28	C7.I11 Culture	Target	Cathedrals and national historical monuments		Number	0	62	Q4	2025
7-28.a	<i>Interim Step</i>	<i>Monitoring</i>	<i>Interim report detailing progress towards the target, including all the constitutive elements per project: calls for tenders, contracts signed including the list of on-going and planned projects.</i>					<i>Q4</i>	<i>2023</i>
7-29	C7.I11 Culture	Milestone	Monuments belonging to local authorities and private owners	Report to be provided by the French Government providing evidence of completion				Q4	2025
7-29.a	<i>Interim Step</i>	<i>Monitoring</i>	<i>Interim report detailing progress towards the milestone (including all the constitutive elements: e.g. call for tenders, contracts signed), including the list of on-going and planned projects.</i>					<i>Q4</i>	<i>2023</i>
7-31	C7.I11 Culture	Milestone	Schemes to support art creation	Report to be provided by the French Government providing evidence of completion				Q4	2024
7-31.a	<i>Interim Step</i>	<i>Monitoring</i>	<i>Interim report detailing progress towards the milestone (including all the constitutive elements: e.g. call for tenders, contracts signed), including the list of acquisitions and the list of support to art creation institutions.</i>					<i>Q2</i>	<i>2023</i>
Component 8
